

PRESIDENT'S MESSAGE:

Wow! The many volunteers drove our Apple Blossom Car Show to a great finish. Linda does a write-up with a full list of Thank Yous starting on page 5.

Hopefully the Museum of the Shenandoah Valley Show will go as well. See the article on page 3 for ways to help. Our Registrar, Lori Ruscito, will have registration forms at the July meeting so you can enter your car early and for free.

On an entirely different subject, I want to share a car book with you. The hero of this story is a 1926 Model T Roadster that was driven from downtown New York to San Francisco. The Roadster belongs to Winchester resident Nathan Edwards who loaned the car to the drivers for their adventure.

The book, *Ford Model T Coast to Coast, A Slow Drive Across a Fast Country*, was written by Tom Cotter, known for his Cars in The Barn books is a fun drive with local (Summit Point) car guy Dave Coleman as the principal driver.

The idea for this book came about when Dave drove one of his many cars, a Model T Speedster, to Summit Point race track, a few miles from his shop, during a race weekend. Tom Cotter, who was there from North Carolina, talked to Dave about the Speedster and commented he always wanted to drive a Model T across country, Dave answered, "I do too".

A year later the trip was on. The

PRESIDENT: [from page 1] little Model T was trailered to NYC where the rear wheels were backed into in the Hudson River, where the Lincoln Highway begins and finishing where it ends, under the Golden Gate Bridge. This was a two-week adventure along the Lincoln Highway and Tom does a nice job of weaving the lore of this historic road into the story. People met them all along the way with car shows, dinners and just good fellowship and appreciation for what they were doing.

They were treated like celebrities. This was all captured by famed automobile photographer Michael Alan Ross. Michael shot great candid photos while Dave did most of the driving and Tom wrote. Throughout the book Tom gives Dave credit for keeping the Model T trouble free. Dave Coleman did maintenance daily and the only failure during the trip was a burned-out light bulb.

To get a preview or look at Tom Cotter and Dave Coleman go on the internet to Hagerty Barn Find Hunter. This is episode 116 that mentions a turbo Hudson, Mercury Merkur, and an 80 mph Model T. Hope you enjoy the read. It's fun!

P.S. See you at the July 7 Club Auction. -- Dan

ANNUAL AUCTION RESCHEDULED TO JULY 7

Knowing Apple Blossom Show last-minute planning would fill the June Membership meeting, our Annual Auction was rescheduled for our July 7 Membership Meeting at the Car Club Shelter in Jim Barnett Park. Please bring those unneeded-but-still-good, car-related items from your garage or man cave to the Auction. Since our Club has quite a sweet tooth, bakers are also encouraged to bring cakes, pies, etc. for auction - those are always best sellers. Proceeds help defray Club expenses throughout the year. Thanks in advance for your donations and support!

NEXT MONTH: ANNUAL CORN ROAST AUG. 28

Mark your calendar - our Annual Corn Roast is Sunday, August 28 at 1:00 pm at the Antique Car Club Shelter in Jim Barnett Park. Mark Dinsmore and Kevin Malony are organizing the event and manning the grill, and our sister Region, Queen City, will be joining us. This is also a potluck, so bring a covered dish, dessert, or salad to share. Can't get any better than fresh corn right off the grill - Mmmm.

POOR MAN'S TOUR— SAT/SUN, OCT 15-16

For those unfamiliar, this is an annual event we share with Queen City Region (Cumberland, MD) and take turns hosting. It's named the Poor Man's Tour because it's only an overnight stay and thus very affordable, unlike some of the AACA National tours which involve several days of touring. Queen City Region is hosting the Poor Man's Tour this year, and their Tour Chair, Kyle Blake, has a super event planned for us. The jam-packed 2-day Tour includes visits to 3 separate car collections, as well as 2 museum stops, and is about 200 miles in total, from Williamsport, MD up thru south-central PA, staying overnight in Mechanicsburg, PA, and ending in Clear Spring, MD. Hope many of you decide to attend, even if you don't have an antique car you can drive up to MD and PA -- you are allowed to bring modern and join in the fun, too. For Tour registration or more information, phone Kyle at 443-564-7468 or email BlakeRestorations@gmail.com. Make your reservations at the Fairfield Inn now using the "AACA Poor Man's Tour" rate of \$129 (+ tax). Call 717-795-1918 today. [See the flyer page 11].

MUSEUM OF THE SHENANDOAH VALLEY
SHENANDOAH REGION, ANTIQUE AUTOMOBILE CLUB OF AMERICA
MSV Antique & Modified Car Show
 Saturday, July 16, 2022 • 10 a.m.–3 p.m.

Our Next Big Club Event is the MSV Car show (see banner above and flyer on page 12). The Museum took care of getting flyers printed and these have been distributed by Club members at various local car shows/cruise-ins. Show Chair Dan Rowzie and his committee have been meeting on a regular basis with the Museum, and all is going according to plan. Registrar Lorie Ruscito reports she is getting pre-registrations frequently. Since pre-registration isn't required, and registration is FREE, we expect a nice turnout that day - and the first 100 show cars to register get two free passes to MSV and a dash plaque (antique and modified cars must be 25 years old or older to be included).

HOWEVER, **we still need YOUR help** to make the show run smoothly. Club members are needed to assist with several tasks:

FIELD LAYOUT: Chair Bob Engle needs a few helpers on Friday planning the field layout and to put up the admin tent. He will advise of Friday timing at our July 7 meeting. If the tent is put up Saturday morning instead, he will need helpers with that early Saturday. Please be at the show field at 7:30 am Saturday to assist.

REGISTRATION: Registrar Lorie Ruscito needs a couple of hands giving out the show packets and taking same-day registrations on Saturday. Registration opens at 8:00 am and closes at 10:30 am. Her helpers should meet her shortly before 8:00 am when cars start entering the field.

PARKING (show car placement): Chair Bob Engle will need many helpers Sat. to get the show cars parked in logical groupings. If you are helping park, please arrive by 7:30 am for instructions.

JUDGING: Chief Judge Jim Stup will need several judges to select the winners (for example, Oldest Car, Best Antique Car, Best Modified Car, Best FOMOCO Car, Best GM

Jim Stup at the 2021 MSV Show

Car, Best Chrysler Corp. Car, Best Orphan Car, Best Foreign Car), and possibly to help tally the Top 10 votes and People's Choice votes. Judging begins at 11:00am, so his team should meet at 10:30 am for instructions.

WRAP-UP: Awards are 2:00-3:00 pm and the show ends at 3:00. Bob Engle will need help taking down the admin tent before leaving Saturday afternoon.

Please see one of the chairs below and volunteer to help. You'll see some great cars, and have a lot of fun at the same time. This is also a chance to promote the old car hobby in our area, and perhaps encourage new members to join us. Come on out and help make this show a big success!

MEMBER NEWS

[Editor: Here are updates received from members since the end of May.]

FROM THE EDITOR: We had a great turnout at the June 2 Membership meeting. There were 39 present at our first meeting of the summer at the Antique Car Club Shelter at Jim Barnett Park. Mike and Carol Witt brought out the Packard for all to admire, bravely venturing out under threat of showers that evening, and dashing home just as rain began at meeting's end. As usual, the potluck was fantastic and food was plentiful.

FROM JIM COLVILLE:

Today's (June 4) Apple Blossom show was great. But I didn't realize that it wouldn't be my only excitement for the day. It was about 8:30 PM when I started getting messages from neighbors from the far end of my neighborhood. "What's going on over there?" "What's all the smoke?" "Is your new garage on fire?" One message included a photo of the smoke that a neighbor took from her front porch. From her vantage point, it looked to be coming from the location of

my garage (see photo above). By the time I got outside to check, the fire was mostly out. Turns out a car went off RT 7

at a high rate of speed and hit a tree on my corner. My fence is slightly

singed. Don't know if the neighborhood HOA's tree will survive the fire's heat. The bench for the school bus stop, at the corner, is done. But my garage is safe. The

wrecked vehicle is toast. Not sure if the rented vehicle's occupants were drunk (as I heard a witness report) or if they lost control of the car or if it was on fire before the wreck.

FUN RUN TO CACAPON STATE PARK - JUNE 11

Saturday June 11, we all awoke to the weather report of a drizzly, dank day. But that didn't deter us from our first Fun Run of 2022 - we just picked alternate transportation(!). Paul and Lorie Ruscito planned a pleasant drive for us from Winchester to the Lodge at Cacapon State Park in WV for lunch. There were only two brave antique cars on the journey, David and Lauren Conrad's 1945 Chevy truck, and John Black's 1935 Packard.

John met up with us on Rt. 522 N while the rest gathered at a church parking lot a bit south. A total of 24 people participated, which was a GREAT turnout, rain or no rain. **Thank you, Paul and Lorie,** for this super idea for a delicious

lunch in a beautiful setting on the golf course. In addition to the Ruscitos, the Conrads, and John Black, in the convoy were Bill & Beth Carl, Bob & Nita Bearer, Gerald & Regina Baldwin, Paul Beam & Lynne Harris, Dan & Ginny Rowzie, Mark & Carolyn Dinsmore, Bruce & Judi Hall, Jeff Smulovitz, and Craig & Linda Comontofski; Jack & Marguerite Fischer (of Berkeley Springs) met us at the Lodge. Photos by Judi Hall and Paul Ruscito.

They were sitting in the back of a police car when I arrived.

I certainly panicked when I saw the neighbor's photo with a little bit of the gable roof of my garage visible near the smoke. *[Editor: Wow, Jim, glad your garage was safe. Scary moments!]*

FROM JIM COLVILLE: Sunday was perfect weather for the annual Father's Day Antique Car Show at Sully Plantation, put on by the Model A Ford Club. One field is nothing but Model A's and Model T.

APPLE BLOSSOM SHOW 2022 REGISTRAR'S REPORT

The 62nd Apple Blossom Car Show June 4 is now history, after being cancelled in 2020 and 2021, then being rained

out on our original May 7 show day. Meet Chair Duane Catlett pulled off a near-miracle getting us the June rain date - amazing! Thank you, Duane, for being proactive so we didn't have to cancel again. We struggled a little getting everything re-shuffled, and shaking off the rust after a 2-year hiatus, but in the end we had a great show. Everyone pitched in to help, with some folks

working multiple jobs that day, and some folks stepping in to steer committees when the date change made original chairs unavailable on show day. The nearly-perfect weather helped a lot. All our guests were smiling, and Duane reported

the only complaint he received was from a guy who thought we should have re-manufactured all the dash plaques to read June 4 instead of the original May 7 date. Guess that guy has never financed a car show (or hasn't heard of supply-chain logistics)!

We had 102 Pre-registered vehicles,

grouped in 12 different AACA-based judging classes. Why twelve? For the past several shows, the Vehicle Registrar has enrolled each vehicle under its AACA class (except for "Customized" and "New" which don't exist under AACA rules). Based on the participation, the Registrar

then combined classes with fewer than 4 Judged vehicles as logically as possible. Therefore, we ended up with most classes roughly defined by decade, hence 12 classes this year. There were 32 no-shows (a little higher

than expected, but possibly due to the date change). However, the good weather brought out 31 Late Registrations, so we had 101 vehicles on the show field. In Class judging, we awarded 36 First Place, 11 Second Place, and 2 Third Place trophies for a total of 49 awards (88% of the judged vehicles actually on the field got trophies). Of the sponsored Special Awards, 25 winners were selected from all vehicles present, including Late Registration and vehicles requesting "Do Not Judge". Bottom line, a total of 74 trophies were handed out [See official lists of winners on

pages 7 and 8].

On behalf of the club, a big **THANK YOU** to all the members that worked on the Apple Blossom Show: to the many members who distributed show flyers at shows and bus-

who helped him put up the administration tent; to John Kerr, Traffic chair Jerry Lunt, and Paul Ruscito, who handled traffic control; to Paul Beam, Bob Bearer, Ron Dailey, Mark Dinsmore, Tom Parker, and Parking chair Jeff Smulovitz, who got all

the show cars parked in the right spots; to Dave Conrad and Jeff Feltner, who got the Fleas parked in their spots; to Judi Hall and Lorie Ruscito, who gave out packets for Pre-registered vehicles with chair Linda Comontofski; to Allen

Bond, Lauren Conrad, and chair Ibby Stratton, who handled the Late Registrations; to Chief Judge Jim Stup, and judges Mark Dinsmore, Bruce

Hall, Dave Lewis, Jerry Lunt, Gene Ramey, Dan Rowzie, Jim Tillery, and Sally Wolfe, and to Sally Wolfe and Bonnie Catlett who tallied

judges' sheets; to Stewart Belkin, Duane Catlett, Craig Comontofski, Mark Dinsmore, Special Awards chair Bob Engle, Bruce Hall, Mark Jefferson, Tom Par-

ker, and Paul Ruscito, who selected winners on behalf of sponsors not there in person to make their selections; and to any others who helped

but may have been accidentally left off this list. Last but far from least, a hearty **THANK YOU** to Meet Chair Duane Catlett and Bonnie Catlett, his

right-hand gal, who handled ALL THE REST of the tasks that happen "in the background": securing the Park venue, the food vendor, the re-

quired permits, the trophies, the show flyers (and this year, also the "Rain Date" postcards), the port-a-johns, the P.A. system, the donuts/coffee for the judges' meeting, and of course, fielding all the phone calls and emails that come with the territory.

GOOD JOB, EVERYONE.
Let's do it again next year!

There were about 400 cars at the Sully show this year. The Metropolitan wagon and the boat it's towing, were custom built by the owner.

There were several Rolls Royces, but the one shown here was the only convertible.

Always a huge assortment of Mustangs, T-Birds and Corvettes at Sully.

There's always a lot of vintage imports at this show

2022 AACA Poor Man's Tour

A Jaunt In South-Central Pennsylvania

October 15th & 16th, 2022

15th U.S. President
James Buchanan's
Birthplace & Cabin

Join us on our annual joint regional tour as we explore South-Central PA this fall. We will join regions in Williamsport, MD, at the Franklin collection of the Russell Family. Then head north to Gettysburg, PA for lunch and to tour the new WWII American Experience Museum of the Buck Family. Continuing north we will visit the Rolls-Royce Foundation Museum & Research Facility in Mechanicsburg, PA, where we will also be staying the night at the new Fairfield Inn & Suites. On Sunday we will drive south to the Strawmyer Family Corvette collection in Shippensburg, PA. We will then continue south to the birthplace of the 15th U.S. President James Buchanan and to the frontier town of Mercersburg, PA for lunch. On the way home we will pass Irwinton Mill & cross over a covered bridge. We conclude our jaunt at Wilson's 1847 County Store and Sweetsies' Ice Cream in Clear Spring, MD. This approximately 200 mile tour will traverse some beautiful rural farmland and visit several great car collections at the peak of foliage color.

MUSEUM OF THE SHENANDOAH VALLEY SHENANDOAH REGION, ANTIQUE AUTOMOBILE CLUB OF AMERICA

MSV Antique & Modified Car Show

Saturday, July 16, 2022 • 10 a.m.—3 p.m.

Celebrate summer and the artistry of automobiles at the annual MSV Antique and Modified Car Show! Held on the beautiful grounds of the Museum of the Shenandoah Valley (MSV) in Winchester, Virginia, this event is coordinated by the Shenandoah Region of the Antique Automobile Club of America (SRAACA) and sponsored by Safford of Winchester.

The car show begins at 10 a.m. and will conclude with an awards ceremony from 2-3 p.m. Food will be available for purchase from 3Fires Oven and Shaffer's BBQ. Limited trailer parking is available. No pets, please. Only service animals are permitted in the Museum gardens and galleries.

There is no fee for registration; however, pre-registration is advised. The first 100 vehicles to register will receive a 2022 car show dash plaque and two free-admission tickets to visit the MSV (\$30 value). Vehicles in both categories—antique and modified—must be at least 25 years old. The event is rain/shine. Vehicle check-in is from 8-10:30 a.m. Award judging begins at 11 a.m.

Awards will given for: **Oldest Car, Museum Director's Choice, People's Choice, Best Antique Car, Best Modified Car, Best FOMOCO Car, Best GM Car, Best Chrysler Corp. Car, Best Orphan Car, and Best Foreign Car.** Winners from each category must be present and will receive a commemorative plaque or trophy.

The MSV is not responsible for lost, stolen, or damaged items, accidents, or injuries on site.

More from the Sully show. The Shelby Mustang was in the car corral. The asking price on the Shelby Mustang was \$190,000.00. Just a little out of my price range .

stripe on the lower body sides. It wasn't till we got close that it became apparent that it was just a reflection of the mat the car was parked on. More from the import section.

Plus some American iron. There are always a few woody wagons at Sully, plus trucks and other wagons.

My late mother was friends with the woman who owns the green 65 Mustang convertible. The woman's late husband bought her the car new, and it's the only car she's ever owned. It has been her daily driver since day one. Last time I saw it (pre-Covid), she had just under 500,000 miles on it (it's been restored three times). Now it has well over 500,000 miles on it, and it's still the only car she drives including in

rain and snow. From a distance, we thought the Grand National had a custom checkerboard

WANTED: YOUR CAR'S PHOTO FOR THE 2023 CLUB CALENDAR

Tom Parker is now accepting photo submissions for the 2023 Club Calendar. Now that we have entered car show/cruising weather, keep your eyes open for good backdrops and take the time to stop for a photo of your "Pride & Joy". The calendar will be in an 8.5" x 11" (closed) wall-calendar format, one vehicle per month. Side or 3/4 views, taken outside in daylight, show off your car/truck/bike the best. You can send multiple photos of your car or different views (engine, etc.) if you like and he will try to work into the layout as possible.

Please email your vehicle's photo to Tom at tomrparkerjr@gmail.com. The best results will be from hi-resolution photos; keep in mind that they will be sized at approx. 8" x 10" in landscape mode (horizontal). Most cellphone cameras take fairly hi-res photos if you don't have digital photos on file. If you have photos on your cellphone and don't know how to download them to email, you can text the photos to Tom at (703) 727-3665. If you don't have a way to get Tom a digital photo, or don't have a photo, please contact him to make other arrangements. Tom will also need a little info about your vehicle for the caption; like how long you've had it, what restoration was needed, any special facts, or how many miles you've driven it, etc. He needs to receive enough vehicle photos to fill the calendar by September 30, 2022. This will allow for calendars to be created and received in time for delivery at the November membership meeting. Thanks!
