President’s Column

Hello, everybody —

The pandemic is starting to lose its hold on our lives. Finally.

We are having a party — well, at least a meeting — and you are invited!

After being isolated from each other for 14 months, we will have the normally scheduled Membership meeting on May 6, the first Thursday of the month, at 7:00 PM in the Fellowship Hall in Round Hill Church on highway 50W out of Winchester.

It will not be a "normal" meeting. Pandemic restrictions are loosening, but we still need to work together to put the pandemic behind us permanently. We will all still need to wear masks to the meeting, will still keep 6 feet of distance among us, and keep our hands sanitized.

CDC guidelines still call for no food to be eaten on site. For this reason, there will be no refreshments served at this meeting. So you might want to eat supper before you come to the meeting.

BUT, we can still have fellowship after a year plus of isolation. We can once again see what each other looks like - at least above the face masks. We

June Meeting and auction

Our Membership Meeting on June 3 at 7:00 p.m. will be the first of 2021 held at the Antique Car Club Shelter in Jim Barnett Park. It will also be our annual AUCTION night: time to have fun and help raise Club funds at the same time.

So, while you’re doing your Spring Cleaning, look around for items that you no longer need, but which might be irresistible to another Club member.

Items that tend to sell are usually vehicle-related, but homemade cakes/cookies/ pies are always popular sellers as well. (Even if you’re downsizing and no longer adding to your “stuff”, everybody likes to eat, right?).

Let’s have a big turnout – it’s outside in the healthy fresh air. See you there!

General Meeting MAY 6 — 7:00 pm

**Location: Fellowship Hall,
Round Hill UMC
IN-PERSON MEETING

MEETINGS

Remember, the General Meeting scheduled for Thursday, May 6 at 7:00 PM —.

The May 20 Board Meeting is at Round Hill UMC at 7:00 PM.

AT THE BOARD MEETING

At the April 18 Board Meeting, not everything on the agenda was part of usual routine. Tom Parker happened to be last to arrive, and announced that David Conrad's truck had a VERY flat tire. (David later recalled he may have hit a pothole just before he got there.)

As David headed for the parking lot, Jeff Smulovitz jumped from his seat and dashed out to help, followed by Craig Comontofski (who was acting as Secretary Linda's chauffeur).

Jeff scrambled under the truck with a second jack, and with the three of them all working together, the flat tire was replaced in less than 15 minutes, including their examination of

the offending flat. (Not exactly NASCAR pit-crew speed, but hey, at NASCAR the spare doesn't have to be pulled out of the bottom of the vehicle!). The spare, which was flat, too (ouch!), was fully inflated by the end of the meeting thanks to David's portable compressor, a perfect example of how Club members pull together. Good work, guys!

The News from Home . . .

Below are the responses I received to my inquiry as to what folks have been doing since the March update — such fun to hear from everyone!

Linda C.

From Jim & Tami Tillery:

Hello Linda and Everyone,

Not to be left out, here is the latest from the Tillery household.

All is well. Tami and I have both received two doses of the Pfizer vaccine. We are still staying home mostly but do get out to visit kids and grandkids in No Virginia. Other than that it's been yard and garden work getting ready for spring. We also exercise regularly at home.

Speaking of exercise, has anyone seen the new trails at the Museum of the Shenandoah Valley (MSV)? I've been going there for walking/jogging almost every afternoon since it opened. There are 90 acres of the largest green space in the city of Winchester open to the public—for free, year-round—with more than three miles of trails for walking,

running, and biking through fields, woods, and wetlands. I go on the two outer loops for a total of 4 miles. Any combination of trails can be done to achieve whatever length or variety you want. It's great!

Everyone take care. Looking forward to getting back together with all club members at shows, fun runs and meetings.

Stay safe.

Jim T.

From Jim Colville:

The big news here is that a car got sold. It's rare that a car gets sold out of my garage. This straight rust free 70 Dart Swinger project left today on it's way to a new home in Pennsylvania. Didn't even have to advertise. Someone posted on Facebook

that they were looking for a decent '70 Dart, I posted a picture and a week later they drove down for a look. It's a project that we planned to finish and then sell, but now it'll be the happy new owner's project to build his dream car the way he wants.

Sunday weather was nice, so the informal Sunday noon gatherings have started back up. I took the yellow Dodge convertible out for its first outing of the year.

From David & Lauren Conrad:

Lauren and I are doing well and both had our shots. On April 15, I was mowing and noticed that one of my neighbors' sheep was giving birth, so as I mowed I kept an eye on her, she eventually delivered twins. I moved over to another part of the yard and mowed for about an hour and decided to go to the fence and check on them, and realized she was refusing the second born.

I spent about two hours protecting it from the mother; it wanted to feed and when it got near her she would go after it. My neighbor arrived, Lauren met with him to tell him what had happened. He told her that

IN SYMPATHY

Shenandoah Region extends its sincere condolences to Kevin and Nicole Malony in the loss of Nicole's father, Thomas Ruppert, age 88, of LaVale, MD, while under Hospice Care at home.

Tom was a member of the Maryland State Police for 36 years. During that time, he

was in charge of the Garrett County division for five years, and then was promoted to Sergeant at the Cumberland barrack where he served until his retirement.

Please keep Nicole, Kevin, and their family in your thoughts and prayers at this difficult time.

HET Car Show on May 8

The Hudson-Essex-Terraplane Club is hosting an Orphan Car Show Saturday, May 8 from 10 AM to 3 PM in the parking lot of the Hampton Inn just off of Berryville Avenue, Winchester. Turn into the Hampton Inn at the McDonalds on Berryville Avenue (at the intersection of I-81 and Route 7, north side of Winchester).

The HET Club is inviting members of the Shenandoah Region AACA to come and join them.

Since HET is an orphan car group, those orphans attending will be given priority in parking, but all are welcome.

They can host 60 cars. **NO REGISTRATION**, come as you

can and enjoy your time, with the normal restrictions. Leave when you need to. It is very informal, held rain or shine.

The Tri-State Mountain Roads Chapter of the HET Club is the host for the day and is

calling this event "THE REUNION."

The Orphan Car Show is part of "The New Doc's Meet", a three-day gathering of Hudson, Essex, and Terraplane auto enthusiasts which has taken place annually since 1964.

For more information please contact Eric Kirk, 540-667-4483

[Note: the HET Club in the past would attend our Apple Blossom Meet on Saturday en masse as part of their weekend event; we appreciate their past support.]

Sunshine Report

- ♥ Sunshine Chairs David & Sharon Lewis report sending get-well cards to Gerry Sandy, who had a fall (luckily, no broken bones, just badly bruised), Eric Kirk, who had outpatient surgery, and Harold Switzer, who had surgery April 16 to help with circulation in his legs.
- ♥ It was also reported that Bill Busko is doing well after his foot surgery, and he's planning to attend Spring Carlisle riding an electric scooter. We were also happy to hear that Boyd Kilmer is doing well on his immunotherapy treatment; he said he's feeling 20 years younger!

- ♥ Please keep Gerry, Eric, Harold and Shelva, and Boyd and Beverly in your thoughts and prayers for healing, and as always, also remember those members who struggle daily with ongoing health issues that keep them "in the shop" and not running on all cylinders.

Happy Mother's Day!

if she would take it and bottle feed it, she could have it, so we are now sheep herders. [Note: Is Lauren going to change her name to Mary, I wonder?]

From Tom & Emily Parker:

I am still working from home and the kids are back to school four days a week now. Their spring activities are starting up again as well. I have been working on getting the lawn back in shape and an expansion of the vegetable garden for this season.

Last week, I added another '60 Buick LeSabre to my garage. It is a Lucerne Green sedan and I purchased from the original owner's granddaughter.

It is mostly original, with some interior refresh having been done some time ago. It came with a lot of original ownership paperwork when her grandfather purchased it new in May of 1960. This sedan will join my white '60 Buick LeSabre con-

vertible.

I took it to the Sunday Cars and Coffee in Berryville last week. The weather was perfect. Looking forward to our first meeting of the year next month.

From Bob & Josie Engle:

Josie and I are busy with our projects. Josie's is PPW: prun-

ing, planting and weeding.

I towed my '32 Buick to Emmaus PA for David Brady to install the interior on the car.

I have dismantled all the parts on the 1918 D45 junk chassis I acquired.

Now I am now cleaning, measuring and evaluating what is salvageable. I should have a fair collection of spare parts for my '17 D45.

Looking forward to getting some cars on the road.

From Mark Dinsmore:

Carolyn and I have been doing fine. Carolyn got her vaccinations and I've had my first. I've been busy cleaning engine parts for my latest motor rebuild. I'm rebuilding a Pontiac 400 for my black CanAm project.

My block is at the machine shop and is almost done.

When I'm not working on that I am recycling old car parts into yard art and garage or man cave lamps, paper weights, candle holders, business card hold-

can swap news of progress and condolences on our current antique car/ truck/ motorcycle/ whatever project — along with whatever other news we would like to share, and we can swap news of upcoming car shows. And speaking of upcoming car shows, the season promises to be a busy one. Tom Parker, our newest Board member, is compiling a list of the area 2021 car show season, and the list is extensive. Be sure to take a look at Tom's list, and check some shows you would like to attend. And the list keeps growing, so check it often. Thank you, Tom, for putting together such a valuable resource!

NEW FEATURE: CAR SHOW CALENDAR

Board member Tom Parker has generously volunteered to maintain an ongoing list of upcoming car activities that are local or of member interest. He will be updating this list as new info is received, and Secretary Linda will be sending updated versions of the list to the club via mass email, plus posting the

list to our website monthly.

An abbreviated version (for the current month, plus as many more will fit on a single page) will also be submitted to the newsletter for those without email.

Please send Tom event listings you wish to include in the list, and please ALSO send Linda flyers that you want

emailed to the club and/or published in the newsletter.

You can include us both in the "To" address in your email, and make it happen in one fell swoop (or swell foop, as my late Dad used to say).

29th Annual Orphan Car* Tour

"A RIVER RUNS THROUGH IT"

Saturday, June 5, 2021
Burkittsville, MD.

Our route winds through the Maryland and Virginia countryside, over river and stream. In your printed directions you'll be given the choice of several places to visit along the way, among them: the Hattie's Garage collection of 25 cars, 1908-1970, Early American Auto Repair (a restoration shop), a historic grist mill, the C.S. Arms antique firearms shop, Harpers Ferry National Historical Park, and perhaps a couple other places.

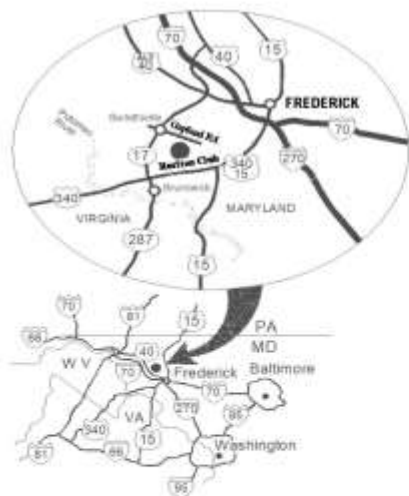

(This year we've decided to put our traditional "observational quiz" on hold, so that you can turn your full attention to enjoying the scenery!)

We'll meet at the Burkittsville Ruritan Club (500 E. Main St. Burkittsville, MD 21718) at 10:30 AM. Cars will be released onto the route starting at 11:00 AM (and for the next half hour). We suggest you grab lunch and visit restrooms before arriving. The nearest gas at the start will be outside Brunswick, Md., but there are stations along the route. There's "real" gas at the Liberty in Charles Town (321 W. Washington St., Charles Town, WV 25414). Park car trailers at the Ruritan and pick them up at the end of the day.

After the tour, a barbecue dinner will be held at the Blue Ridge Volunteer Fire & Rescue hall, outside of Bluemont. (Dinner reservations required.)

As always, the Tour will be held "rain or shine". If it rains, drive a modern car (if necessary). We'll still have a great time and see some beautiful scenery. And several of the stops along the way will be under cover. So, join the fun. Bring friends, family, your "orphan" and your thirst for adventure!

CORONAVIRUS: On April 15 we will review the pandemic situation and make a decision to proceed with the tour if the outlook's good. Masks and social distancing will be observed. If dinner reservations are running low due to participants' health concerns, we may need to cancel the dinner portion of the Tour. (Any cancellations on our part will result in refunds of your Tour fee or dinner payment.) Watch our website for updates!

DIRECTIONS: Take Rte. 17 north from Rte. 340 or south from Rte 70 / 40 / Alt 40, to Burkittsville. Go east on Gapland Rd. 1/4 mile to Ruritan Club.

TOUR NOTES

SCHEDULE

10:30 AM	Registration begins at Burkittsville Ruritan Club, 500 E Main St, Burkittsville, MD 21718
11:00 AM	Cars will released onto tour, one- by-one, for next half hour.
5:00 PM	Assemble for dinner, Blue Ridge Vol. Fire & Rescue Co., 131 Retreat Rd., Bluemont, VA 20135

Important: **Bring a navigator** to read driving directions! Tour will be held **RAIN** or **SHINE**. Dinner reservations must be postmarked by **May 25**. Entry fee of \$10 per car can be paid beforehand or at the Tour. (Note: you may do both the tour and dinner, or either one!)

DINNER NOTES

Buffet menu: choice of barbecued glazed grilled chicken or smoked beef brisket; herb roasted potatoes; whole green beans with shallot butter or roasted asparagus (chef's choice); roasted carrots with brown sugar & butter; tossed salad with assorted dressings; rolls & butter; assorted cakes & pies; sweet and unsweetened iced tea, water and coffee.

Postmark reservations by **May 25** (if you miss the deadline, call us anyway.) Meal tickets will be given out at the Tour. If you cancel after **June 1** we can't guarantee a refund, but will try to sell your ticket for you if you alert us before then.

 The Tour is open to antique "orphans" — vehicles at least 25 years old which were produced either by now-defunct manufacturers or the discontinued divisions of still-existing companies

Info: (540) 364-1770 before tour;
