

PRESIDENT'S MESSAGE:

The picture of the 1973 dash plaque on this page from 50 years ago caused me to think about the variety and numbers of cars that have been exhibited over the years.

This year will be the 63rd Shenandoah Region Apple Blossom Show. Estimating the number of participants over all those years, based on three National meets, each having about 900 entrants, and many years when we had 500-600 entrants for regular shows, I come up with well over 10,000 cars at our Apple Blossom shows, over the years.

How many different makes of cars were there? How about every possible car and body type that was ever produced? Here's some examples from the 2000 National Meet. I love looking through this 35-page program for the Meet, which details the 816 entries we had that year. The earliest was a 1907 Orient and the high wheel buggy class had a 1908 and a 1910 Sears. The class for Electric vehicles had a 1918 Rauch & Lang and a 1917 Detroit Electric. The next class was for another type of power, steam, and it had one entry, a 1910 Stanley Steamer. Then comes four classes of motorcycles including 41 either one cylinder, two-cylinder, motorbike or motor scooter.

The next seven classes covered Classic vehicles from 1925 through 1942, and Lincoln Continental until 48. These were the cream of the crop, beautiful big luxurious cars of the stars. These 28 cars represented Buick, Cadillac, Franklin, LaSalle, Lincoln, Marmon, Packard and Pierce Arrow.

Just imagine this: 375 Production cars from 1930 to 1975, needing judging, and spread over many rows. What's not in this count are the Corvettes, Tri-

50 YEARS AGO - This was the dash plaque (brass) back when our show was the same weekend as the Festival.

CALENDAR

- APR 9 - HAPPY EASTER !
- APR 13 - **RESCHEDULED** Membership Meeting, 7pm, Round Hill UMC, Winchester
- APR 20 - Board Meeting & Apple Blossom Meet Committee Meeting, 7pm, Round Hill UMC, Winchester. All members welcome
- **APR 24 - NOON DEADLINE FOR MAY NEWSLETTER**
- MAY 4 - Membership Meeting, 7pm, Round Hill UMC, Winchester
- MAY 6 - Apple Blossom Grand Feature Parade, Winchester
- MAY 13 - 63rd Apple Blossom Meet, Jim Barnett Park, Winchester

Five Chevies, Mustangs, Thunderbirds and Fords, Model T through 1948. These would account for another 100 plus cars. There were 49 trucks, as well. A little more to bring out the magnitude of the show, it took two show fields, named the Red Field and the Green Field, to hold all 816 of the varied and colorful machines. And luckily it was a fine day.

Our 63rd Apple Blossom Show is coming up soon and we need your help, I can promise that we will not have as many cars to place and to judge as we had in 2000. But we still need all hands-on deck to help on May 13th. See you at the April meeting — Dan

WELCOME NEW MEMBERS !

The Board is happy to announce acceptance of these new members at the March Board Meeting:

Joe and Barbara Salyer of Winchester, VA
(540) 533-3762 JMSalyer1954@gmail.com

Joe and Barbara are aficionados of 20s and 40s Fords, so share a common interest with many in the Club. Welcome!

April 13, 2023 7:00 pm Membership Meeting

Where: Round Hill, UMC Winchester
(see directions last page)

Meeting Hosts: Paul & Lorie Ruscito

Light refreshments will be served. See you there!

NOTE: 2023 Membership Rosters will be distributed at the meeting - please plan to attend and pick up your copy to save on postage costs.

HAPPY APRIL BIRTHDAYS !

02 Darla Murphy	16 David Lewis
06 Melanie Weddle	19 Kevin Malony
07 Mark Dinsmore	

IN SYMPATHY

Shenandoah Region extends its deepest sympathy to member Kenny Harper and family in the loss of his wife, Bobbie Omps Harper, after a long illness. Bobbie passed away peacefully at home March 26. She was born in 1958 in Winchester, VA, the daughter of the late Ellis and Carol Omps. She was a graduate of James Wood High School, Class of 1976. Bobbie retired in 2012 as an Information Technology Specialist for the United States Government. She was a member of White Hall United Methodist Church, Valley Glasshoppers Club, the Apple Club and the Old Dominion Cardinals Camping Club. Bobbie's annual Christmas party with the family was one of her most favorite times and she loved decorating for Christmas. She liked her time working at Clear Brook Shopping Center, and also enjoyed taking trips to Williamsburg with her friends. Bobbie leaves to cherish her memory: her husband Kenneth "Kenny," whom she married on August 17, 1996; and her brother, Mark Omps and wife Kim. A Celebration of Life is scheduled for April 8 at Omps Reception Center, Winchester. Please keep the family in your thoughts and prayers at this sad time.

Send news, articles, photos & ads to: shenandoahregion@gmail.com

MAY DEADLINE = NOON, MON APR 24

JOIN THE PARADE MAY 6

As in years past, Shenandoah Region will participate in the 96th Shenandoah Apple Blossom Festival Grand Feature Parade. We will be in the pre-parade, moving along a bit quicker than the actual parade, which helps to keep our old cars from over heating. This is a great time to showcase our club and cars to thousands of locals and visitors. So lets get those cars out of mothballs and get them on the parade route. Don't miss your chance to be part of the 2023 Apple Blossom experience. The parade is scheduled for Saturday, May 6th. Participants will gather at Noon at Jones Funeral Home on Pleasant Valley Rd. The parade steps off smartly at 1:00 pm. **Jim Tillery** will have more information at the April club meeting. Or, you can contact him at 703-973-8927.

SUPER SELLER DAVID

As you may remember, we didn't renew newsletter ads during the pandemic. Now that small local businesses are open again, **David Conrad** did a fantastic job of selling ads for us, bringing \$220 into our coffers. You will see these paid ads on various pages starting with this newsletter issue. THANKS, David, and thank-you to our advertisers !

SHENANDOAH REGION IS NOW ON FACEBOOK ! by Tom Parker

With approval of the Board, I have set up a Facebook page for the Shenandoah Region. The page is intended to share information and increase exposure about our Region with prospective members and to share our events with other auto enthusiasts in the area. We can also increase networking with other local organizations/clubs.

If you are a Facebook user, please "like" our new page and share it with your friends. You can invite them to "like" it as well, it isn't just for members. One of the big hurdles in setting up this new platform is building an audience. You can find us at www.facebook.com/ShenandoahRegionACA or search "Shenandoah Region ACA" on your FB account.

I will be moderating the page and posting content regularly. I will also share information about our events and car shows/cruise-ins in the area. Hopefully this can provide some additional outreach to expose more auto enthusiasts in the area to our Region. *** **Note: Nothing will change with how we utilize the website, newsletter, or email to communicate with members.**

[Editor: Thanks, Tom, for volunteering to take on this task !]

THANK YOU

Allen Bond sends his thanks to the members for all the cards and visits while he was hospitalized for rehab after knee surgery. He misses seeing everyone and hopes to be back with us soon.

Sunshine Report

Sunshine Chairs Dave & Sharon Lewis report sending:

- ♥ A sympathy card to Kenny Harper in the passing of his wife, Bobbie, on Mar. 26 (see Sympathy on this page).
- ♥ Get-well cards to Joyce Carden, who's recovering from back surgery, Mike Smith, who got banged up a bit in a car accident, and Annette Busko, who had a fall at home that left her pretty sore.
- ♥ Please keep Kenny, Joyce, Mike and Hilary, and Annette and Bill in your thoughts and prayers for healing.
- ♥ And as always, let's all also remember those members who struggle daily with ongoing issues that keep them "in the shop" and not running on all cylinders.

APPLE BLOSSOM MEET UPDATE Plans for our May 13 car show and flea market - our 63rd - are progressing well. Chair Duane Catlett reports that the flyers mass mail was done; see Duane to pick up flyers to distribute when you attend other car events. [See pages 9-10 for a copy of the flyer](#) which you can print and share, or ask Secty. Linda to email you one.

Art Bragg found us a new vendor for the dash plaques, and the plaques are currently in production. Duane has lined up sponsors for almost all of the Special Awards; our thanks to the members who helped with sponsor contact, and to those who personally volunteered to be a sponsor of a specific Special Award. Registrar Linda Comontofski has received 27 registrations so far, which is about the same number as last year on March 26. We're on track to have at least a similar turnout to our 2022 show, so fingers crossed. Lots of help will be needed to make this show, our biggest revenue source, a success. We're counting on YOU to be one of the helpers. Our last Apple Blossom Committee meeting before the big day will be part of the April 20 Board meeting at 7pm at Round Hill UMC. All members are welcome. All Committee Chairs should plan to attend.

MEMBER NEWS

[Editor: here are members' submissions received since Feb. 20]

FROM JIM COLVILLE:

Received the March "Split Rim" newsletter today, Feb. 23. The last line of the "President's Message" said "Put the top down, if you can, and roll down the windows so you can smell the country air and run some roads!". It was an unseasonably warm February day today, so Tom Parker (60 Buick), Van Armstrong (69 Dart) and I decided to follow that advice. We took our old cars out today for lunch at Ledo's Pizzeria in Winchester. And yes, I even put

the top down for the drive home! The aging paint was even looking presentable after my buddy, Bob Mayhugh, buffed out the old dull oxidized paint on the hood and trunk bringing some color and shine back into the old yellow car.

Today was the first time pulling the car out into the sunlight since the buffing was done on Sunday.

**FROM PAUL RUSCITO:
FORD'S GARAGE RESTAURANT**

While on our annual winter trek to Florida Lorie and I came across an unusual restaurant.

"Fords Garage" in Ormond Beach is one of the anchor restaurants at the large Tanger Outlet Store complex just north of Daytona. This is a fairly new chain of restaurants located in several states both north and south. These restaurants are franchised from the Ford Motor Company.

The building looks like an automotive service station complete with rollup bay doors in the dining area. The restaurant entrance had several 1930s era

replica Model A vehicles and the entrance doors have gas pump nozzles for handles. Once inside you are greeted with waiters/waitresses dressed in mechanic's shop clothes. The restaurant floor has several complete Model A engines on display. The copper covered bar has a Model A on a floor lift hovering over its center, the wheels are turning and the headlights are on..... very cool!

The food is typical American fare, great burgers, grilled chicken sandwiches and fish & chips.

Once seated you are served with a menu and a fork & knife rolled up in a blue shop rag ringed with an automotive type hose clamp (I wonder how many of those clamps disappear). *[see pic on top left on next page]*

[Continued under MEMBER NEWS, page 4]

MEMBER NEWS: [from page 3]

FORD'S GARAGE, CONTINUED

The bathrooms are another hoot, the sinks are stainless steel bowls wrapped by real tires.

The faucets are gas nozzles with utility grade shut off valves, I won't comment about the men's urinals.

All in all, it's a fun place to eat, good food, good service and great surroundings. This Ford gets an A in our book, Model A.....

**FROM TOM PARKER:
TED VERNON'S SPECIALTY AUTOS**

In late January, I took a trip to central Florida to visit my grandparents who "snowbird" there from Nov. until April. My grandfather informed me that a new classic car dealer had set up shop just across town at a former Chevrolet dealership. Come to find out it was Ted Vernon who, at one time, had a show on TV profiling his buying, selling, and trading of classic cars. He relocated from Miami to Lake Wales, FL.

So, we went by the dealership one afternoon to take a look around. What I saw was probably one of the more eclectic inventories of cars in all sorts of different conditions. There were literally hundreds of cars spread from the showroom, service area, and a field in the back of the property. There were several cars sitting out front of the dealership building, and it

seemed like some of the nicer cars were displayed in this prominent location along the road frontage, including this nice 1956 Chevrolet Belair sedan.

As I walked through the former service area, I saw cars packed within every square inch and even up on the service lifts.

After exiting the service area, the wash bays had several cars in covered, but open, storage. This Rolls Royce [top left on next page] appeared to be in excellent shape. The black Buick Reatta however, was left with windows open allowing the elements into the interior.

[Continued under MEMBER NEWS, page 5]

MEMBER NEWS: [from page 4]
TED VERNON'S AUTOS, CON'T

[More MEMBER NEWS, page 6]

After leaving the rear service area, you enter this large field at the rear of the property with dozens of cars in varying states of condition. Some seem too far gone, while others could readily be brought back to life.

Starfire two-door hardtop [bottom, left, and top above] would make a good project. It looks like it has been off the road for a bit, but appeared very solid and the interior was in excellent shape.

I also thought that the yellow 1940 Buick Century with dual side mounts would be fairly easy to bring back to life.

Unfortunately, the rust on this 1959 Ford appeared too extensive to repair and the roof would likely have to be removed.

While the dealership has quite an inventory, many seem like they have not been roadworthy for a while. I did review the website to check pricing and found that they seemed a little high, at least to me.

It is definitely worth a look around if you find yourself close to Lake Wales, FL, though!

I thought that this 1963 Oldsmobile

**FROM DAVID SUNTER:
BACK TO THE FUTURE**

When spending time in Sarasota, FL in the winter, I regularly attend a Car Guys lunch in town. The DeLorean makes a fairly frequent appearance, by road! *[Editor: not in flight, for those who remember the end of the movie*

[Back to the Future, when the car returns, flying, and powered by nuclear fission of trash] The owner told me that it is one of 7 such cars made for the movie but he doesn't know if this actually appears or if it was a spare. Here are a few more photos of this car and other attendees, hope you find them interesting.

[Editor: the pale green car's trunk actually says "Panhard", not "Packard", if you look closely. And the red car is identified as a 1953

Nash-Healey. The "topless" orange car has a Citroen badge on the back - it reminds me a little of a VW Thing, apologies to Curt Mason]

MAY NEWS DEADLINE: NOON MONDAY, APRIL 24

Send ads to: shenandoahregion@gmail.com

APRIL FOOL ??

This classified ad actually appears on page 296 of the April 2023 issue of Hemmings Motor News. It's an old joke, but the 210 area code is correct for San Antonio, where a lot of retired veterans reside. Is the ad an April Fool's day prank, or is the ad legit? Either way, "David" has a good sense of humor !

51,700. 843-557-1750, 843-480-4077, IN 1.
WANTED: senior retired vet seeks healthy senior woman who can cook, clean and restore cars, must have 1956 Oldsmobile, please send photos of Olds. David, 210-XXXXX3, San Antonio, TX.

WANTED: Oldsmobile from 1900-1957, any model, any cond, top \$ paid, we'll pick up anywhere in

Spotted by Arthur "Eagle Eye" Bragg

Directions to Round Hill UMC

2993 Northwestern Pike, Winchester, VA 22603

Starting just west of Winchester Medical Center, from the intersection of Route 37 and Route 50:

- > Drive west on Rt 50 (Northwestern Pike) for approx. 2 miles.
- > Shortly after crossing Nat'l Lutheran Blvd, turn left on Rt 654 (Poorhouse Road). There is a used car lot on the left as a landmark.
- > At 0.2 miles, turn right onto Rt 803 (Round Hill Road). Independent School of Winchester across 803 is a landmark at this intersection.
- > At 0.3 miles, turn right at the Church rear driveway (Trinity Lane) and drive uphill into the parking lot. There is a sign at the driveway entrance.

Fellowship Hall entry is at the bottom level, rear of the Church, off the parking lot (no stairs).
