

PRESIDENT'S MESSAGE:

The month of May brings us our Apple Blossom Car Show. This is our BIG fund raiser for the year. We need all hands-on deck to pull this event off. Please see the contact information for the various chairmen [page 4] and give them a call or email to offer them your assistance. Most of the tasks will be completed after a couple of hours which will leave plenty of time to check out the cars and flea market, and visit with each other. Remember no previous experience is necessary...we train! We all have special cars so why not enter yours and share the fun.

- Dan

P.S. Thanks for member support at the Clarke County High School Show in Berryville on April 24. I heard they had a great turnout [see page 6].

2022 REGION ROSTER COMPLETED Secretary Linda has completed the 2022 Membership Directory. If you still have not picked up your copy, please do so at the May membership meeting to help us save on postage.

Note: In order to preserve our members' privacy as best we can, we don't issue electronic rosters, which could be easily hacked. Paper may not be as handy as online, or on your smart phone, but just might be a bit more secure just because it ISN'T "out there" ...

FIRST FUN RUN OF 2022 - JUNE 11 Mark your calendars for our Fun Run on Sat. June 11. Paul and Lorie Ruscito will be leading the leisurely drive approx. 26 miles from Winchester to Cacapon State Park for lunch at the Lodge. We will gather at 10:30 am in the parking lot of the Winchester Church of God, 2080 N. Frederick Pike (Rt. 522 N). We'll be on all paved roads, and there's ample parking at the Lodge with easy access to the dining room. More info at the June meeting.

DOING SOME SPRING CLEANING? Our June Membership Meeting and Annual Auction Night is June 2 at the Car Club Shelter in Jim Barnett Park. Save those unwanted car-related items and bring them to the Auction! Since our Club has quite a sweet tooth, bakers are also encouraged to bring cakes, pies, etc. for auction - those are always best sellers! Proceeds to help defray Club expenses throughout the year. Thanks for your support!

IN SYMPATHY

Shenandoah Region extends its deepest sympathy to member Joyce Carden and family in the loss of her husband, Luther Edward "Ed" Carden, 84. Ed passed away at home Easter Sunday, Apr. 17, after a long struggle with declining health.

He was a quiet guy with a sly sense of humor, but his love of old cars always spoke loud and clear. He and Joyce were faithful attendees at meetings and Fun Runs, and loyal supporters of our Apple Blossom Meet, where Ed showed his 1955 MG or his 1953 Studebaker in most of the last 20 Meets. Even until a few months ago, Ed was spending many hours in his garage, a smile on his face, overseeing the job from his wheelchair as Kevin Malony worked on getting the MG running again - a car guy 'til the end.

Ed was a past Executive Board member and Region President, and he and Joyce were honored with the Big Steering Wheel Award in 2007. He served four years in the U.S. Navy and retired as a manager from AT&T in 1989 after 28 years of service. He was also an Elder of Burnt Presbyterian Church, and a committee member of Boy Scout Troop 138.

In addition to his wife Joyce, Ed leaves to cherish his memory: daughter Susan Carden Kume (Paul) of The Woodlands, TX; son Scott Edward Carden (Dayle) of Dubai, UAE; grandchildren Elliott Olivia Carden and Liam Edward Barrett Carden; and a sister, Louise Caldwell of GA. Services were Apr. 23 at Omps Funeral Chapel.

Please keep Joyce and the family in your thoughts and prayers during this sad time.

Sunshine Report

Sunshine Chairs Dave & Sharon Lewis report sending:

- ♥ Sympathy card to Joyce Carden and family in the loss of her husband, Ed (see Sympathy above).
- ♥ Cards to Tom Rissler, who was diagnosed with COVID-19; and to Carl Ay, who has been enduring serious health issues for quite some time, we recently learned.
- ♥ We also heard that Jeff Smulovitz is having hernia surgery May 6, and that Dan Rowzie fell at home, fractured his left wrist, and had wrist surgery, with elbow surgery to come.
- ♥ Please keep Joyce, Tom, Carl and Carole, Jeff and Vickie, and Dan and Ginny in your thoughts and prayers for healing and comfort.
- ♥ And as always, let's all also remember those members who struggle daily with ongoing health issues that keep them "in the shop" and not running on all cylinders.

SHENANDOAH REGION, AACA IS PROUD TO PRESENT OUR

62nd Apple Blossom Car Meet

MAY 7, 2022

JIM BARNETT PARK

101 E Cork Street
Winchester, VA 22601

Bob Wallace's
1947 Plymouth

After months of planning, the BIG DAY is finally almost here! Two years of cancellations made a big dent in our coffers, as this Meet is our main fund-raiser to keep the club afloat - so we are earnestly hoping for a very successful event this year.

Meet Chair Duane Catlett and ever-diligent wife **Bonnie** have made sure the show field/flea market field is confirmed, permits are in place, a food vendor is ready to serve our guests, tents and tables are lined up for the Administration/Information/ P.A. system, Pre-registration, and Late Registration areas; a workroom in War Memorial Bldg. for the Chief Judge and Judges is reserved; we have golf-course marking paint for the field, the trophies and Special Awards are all ready, and very importantly, the Port-A-Potties are ordered.

But even though the engines are tuned, **YOUR HELP IS NEEDED** to keep all the gears turning in sync so we can cross the finish line successfully. It takes many hands working together to make our show run smoothly and provide our guests with a great time so they will want to return in future years. Can we count on you to be in our "pit crew"?

A list of committee chairs and a partial list of helpers appears on page 4. Please look there for your assignment or to volunteer for a committee.

FRIDAY, MAY 6 at 5:00 pm — FIELD SET-UP: the show field and flea market must be marked off so the vehicles and vendors can be quickly and easily placed on their assigned spots. **We need as many able-bodied folks as possible** to come to Jim Barnett Park to help with this task. **Field Set-up Chair Kevin Malony** will specify at our May 5

club meeting exactly where in the Park to gather. Kevin will have the paint and "the rope" for measuring off the spaces.

SATURDAY, MAY 7, there are several jobs that still need volunteers to help cover them: Traffic Control, Parking (placing of show cars/flea market vendors), Judging, and Special Awards. The Schedule of Events is shown below. Most tasks only last a couple of hours. Once your task is done, you'll be free to browse the field, meet up with friends, and maybe make some new ones.

TRAFFIC & PARKING TEAM:

Traffic chair Jerry Lunt

and **Parking chair Kevin Malony** will let you know at our May 5 membership meeting where and at what time you should arrive at your post.

If you pre-registered your car for the Meet, **Registrar Linda Comontofski** will also have your parking space assignment for you at the May 5 club meeting - so if you arrive before Registration opens at 8:00 am, you can just park your pride and joy in your space, and pitch in with parking, or traffic, as needed. Just be sure to stop by Registration and pick up your packet (windshield card and judging sheet) before the judging begins at 11:00 am (or before 10:30 for judges attending the Judges' Meeting).

JUDGES & SPECIAL AWARDS TEAM: as of press time, 10 days before the show, we had 75 cars pre-registered, and can easily have over 100 by May 7, plus another 40

A SPECIAL THANK YOU to Art Bragg, who reworked the 62nd Apple Blossom Meet dash plaque so we could use it this year, after 2020 was cancelled. Art donated his time and the cost of materials in memory of the late Boyd Kilmer, who was one of our key people on the field for decades of Apple Blossom Meets.

APPLE BLOSSOM CAR MEET: *[from page 3]*

Late Registrations if the weather's good. Therefore, **Chief Judge Jim Stup** will need help making sure the judging task is covered; and **Special Awards chair Bob Engle** will need help selecting those 32 Special winners (Late Registrations and cars marked "Do Not Judge" are eligible for Special Awards, too). Judges should attend the 10:30 Judges' Meeting. Special Award helpers should meet Bob Engle at the Administration tent to get their instructions. Bob will have more info at the May 5 meeting. Award sponsors, see Bob's note below.

FLEA MARKET TEAM: Note that this year, the show is on just ONE field. Vendors will be parked at the end of the show field closest to the War Memorial Bldg. Flea Market Chair **Jeff Feltner** will let you know at the May 5 meeting what time he needs you there.

PRE-REGISTR & LATE REGISTRATION TEAM:

Pre-registration chair Linda and **Late Registration chair Ibbby Stratton** will explain at the May 5 meeting where your stations will be (similar location to 2019 at/near the show car field entrance, at the opposite end of the show field from the War Memorial Bldg). Please be at the registration tent at 7:55 am for final instructions and supplies. Both registrations open to show cars at 8:00 am. No packets will be given out before 8:00 or after 11:00 am, when registration closes (though Linda usually hangs around a tiny bit longer for hard-luck stragglers limping in from car breakdowns).

SPECIAL AWARDS SPONSORS 2022

For those members that have sponsored a Special Award:

If you would like to make the selection of the car to win your sponsored award, Please contact Bob Engle at 540-247-8634 (cell) or at bengle1917@gmail.com.

I will contact you about the process. If I do not hear from you, I will appoint other members to make the selections.

Also, I would appreciate any club members that will assist in the judging and paperwork management to contact me so we can do an outstanding job of selecting and presenting these awards. Thanks, Bob Engle

AWARDS: As outlined in the schedule on page 3, ALL the award presentations will be done at the Information Tent/ P.A. (a.k.a. the Administration Tent), which is a new procedure for us this year for the Class Judging (1st, 2nd, 3rd Place) awards. **Bill Carl will be the Awards emcee.** After the Awards are finished, help may be needed in taking down tents, packing up tables & chairs, supplies, etc.; but we should be all finished shortly after 3:30 pm.

LAST CHANCE: Our **May 5 Membership Meeting** will be our last chance to resolve any issues and get all our bases covered before our BIG DAY. **Please plan to attend Thursday May 5 at 7:00 pm**, and get those "last-minute" instructions that are so crucial. We can make this a great show if we work together!

MEMBER NEWS

[Editor: Here are the responses to my request for updates since the end of March.]

FROM CURT MASON: Sure wish I lived closer to y'all. Off to a Cape Fear Cruisers car show tomorrow [April 1] with the Woody. Shown today during my detailing job. I belong to several car clubs now and

spring is our busiest time of the year. Took the Woody down to Myrtle Beach 2 weeks ago to join 3200 cars of all kinds, many very noisy.. It was insane.

FROM JIM COLVILLE: Here at my garage, we've been staying busy with Mopar projects and activities. My buddy has the rear out of his 70 Dart Swinger for a rebuild, and a couple weeks ago we went to

Pennsylvania to get a hood for the car to replace the one on the car that was damaged by a deer on RT 7. Meanwhile, I'm trying to get my turquoise Barracuda convertible together for Chrysler Carlisle in July. In this photo *[below]*, I was attaching the rubber trunk seal, but, installing carpet and getting the interior back in was a recent project as well, along with installing the convertible boot trim. Main things I still need to get done before driving it to Car-

lisle, will be a carburetor rebuild and getting it in some place for a muffler and tail pipe.

A Mopar buddy in Massachusetts, had me pick up some 1966 Dodge Coronet parts from a seller in Clearbrook over the winter. This week, he came to Virginia mainly to get the parts. But, we also spent a day at Spring Carlisle while he was here, and revived a couple of my cars while he was here. My white 67 Belvedere wagon had been off the road for a while with an electrical issue that cause stalling with no restart. During the course of earlier repair attempts, both control box and coil had been replaced with confusing results. Got the car started once, but then it again reinstalled and wouldn't restart. Turned out it was two problems. The first time the control box for the electronic ignition went bad. But when both the box and the coil were replaced at the same time, we didn't know

the new replacement coil was bad. So now, almost a year later, my buddy took the time to figure out the current problem was the new coil. We put the old coil back on and problem solved.

He also resolved a couple issues on my 66 Sport Fury, so I was able to take that car to the Clarke County High School car show Apr. 24. Finally, he was able to fix an under dash bracket for the parking brake cable for my green 340-S Barracuda convertible. I'm just not flexible enough any more to get up under the dash that far.

While my buddy was in town visiting, I decided that it would be a good time to get a bunch of Mopar buddies together in my garage. Many of these friends have also known the friend from Massachusetts for years, so it was a kind of reunion, cook

out, and car show combined. Glad winter is finally over. But it feels like spring is going by way too quickly already.

MEMBER NEWS: *[from page 5]*

FROM CRAIG & LINDA COMONTOF-SKI: On April 23, many Region members attended services for the late Ed Carden. Several brought out their old cars in his honor. Ed's newest sports car ride was also a poignant display.

1929 Ford- Fuzzy and Chris Coon

1968 Plymouth Barracuda- Jim Colville

1931 Chevrolet- David and Lauren Conrad

1960 Buick LeSabre- Tom and Emily Parker

FROM TOM PARKER:

On behalf of the Clarke County Band Association, thank you to all of the Shenandoah Region members who attended our show on April 24 at Clarke County High School, Berryville.

It was the first time doing this type of event and we were thrilled to have over 140 cars, trucks, and motorcycles. It was a great fundraiser for the music and guard programs at CCHS and brought out a lot of spectators.

Several region members attended with their cars and others were seen as spectators. Included are photos of cars belonging to the following members:

1968 Dodge Charger- Dickie and Sally Wolfe

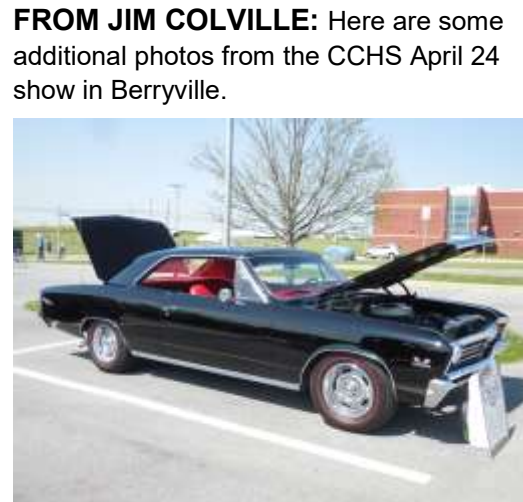

1987 Camaro- Bob and Nita Bearer

1908 REO- Jeff and Vickie Smulovitz (giving my daughter Grace a ride)

1966 Plymouth Sport Fury- Jim Colville

FROM JIM COLVILLE: Here are some additional photos from the CCHS April 24 show in Berryville.

[see more MEMBER NEWS, page 7]

MEMBER NEWS: *[from page 6]*

More of Jim Colville's photos from the CCHS Show Apr 24 in Berryville

FROM JIM COLVILLE: Jim also attended the show hosted by the 540 Winchester Racers at Back Seat Bar & Grill in Winchester Apr 2. His photos are below.

leaning against the yellow 57 Lincoln. He drove the Lincoln with the Jag XK-120 on the tow dolly all the way from Quebec. Anyone who's been to Carlisle knows the steep hill in the car corral. This guy apparently made it part way up the hill and then stalled. Not easy to back up to a flat spot when you have a car on a dolly behind you. At this point, the back of the Jag was too close to a parked motor home to risk letting the combo roll back down the hill any farther. Don't know how that situation was resolved.

FROM JIM COLVILLE: Here's a few pictures from the car corral at Spring Carlisle Apr 21. Felt really bad for the guy

WANT TO SUBMIT YOUR STORY FOR "CAR OF THE MONTH?" HERE'S HOW:

We're looking for stories about your current old car or truck, one you used to have but wish you'd never sold, the family car that holds so many memories, your high school ride, or first owned car.

Photos can include under-hood, interior, trunk, etc. and/or before/after restoration; a good exterior view of the whole vehicle is a must. Bill Carl has volunteered to help with write-ups and photos. Digital text and photos preferred but not required. We can scan old photos for you. Contact Bill at bill_carl@yahoo.com or phone him at (540) 247-3750.
