President's Column

Hello, everybody —

Well, for the second time in 15 months, on Thursday, June 3, we will be seeing each other for our regular membership meeting, after the long isolation of the pandemic!

And what's more, we will be meeting at the Antique Car Club Shelter in Jim Barnett Park, a place so familiar to all of us, and so full of happy car-related memories. We can bring our old cars to the meeting, park them on the lawn, and show them off again to our friends, and also to any passersby who are strolling or jogging by in the Park.

On the practical side of things, we will have a chance to help rescue our club's finances, which have suffered the past year or so because of pandemic-related cancellations of car shows and other activities.

The membership meeting on June 3 is also our annual auction. If you have any antique car related items that you are not using, do not

June Meeting and auction

Our Membership Meeting on June 3 at 7:00 p.m. will be the first of 2021 held at the Antique Car Club Shelter in Jim Barnett Park. It will also be our annual AUCTION night: time to have fun and help raise Club funds at the same time.

So, while you're doing your Spring Cleaning, look around for items that you no longer need, but which might be irresistible to another Club member.

Items that tend to sell are usually vehicle-related, but homemade cakes/cookies/pies are always popular sellers as well. (Even if you're downsizing and no longer adding to your "stuff", everybody likes to eat, right?)

Let's have a big turnout – it's outside in the healthy fresh air. See you there!

MSV Car Show

Dan Rowzie, Chair for the Museum of the Shenandoah Valley Car Show July 17, reported at our May 6 meeting that the show plan is progressing well.

Committee members Bob Engle, Art Bragg, and Angie Yonally also attended the last meeting at the Museum, and learned that despite the new sculptures in the garden, cars will be allowed to display there.

Flyers are published and ready for distribution. (You

will find a copy in this issue on page 10).

Since 2010, our Region has been a co-sponsor for the July car show at the Museum.

It's an opportunity to support our community, as well as promote the old car hobby.

Don't forget to put this event on your home calendar, and also to see Dan to volunteer to help the day of the show with parking and judging.

We expect a good turnout of cars this year!

News from Home & Beyond. . .

Hello All,

Now that many of the restrictions are being lifted, folks are getting out and about more and more. Nevertheless, let's continue the "reports from home", even now that we can visit in person again -- the email "blasts" I've been able to send out to you all have LOTS of room for photos that the newsletter doesn't have, and I've gotten LOTS of positive feedback from members who have enjoyed all the pix.

I'll be asking via email for your photos and project updates to share, so don't be surprised to hear from me!

A BIG THANK YOU goes out to Jim Colville for all his wonderful photos over the last year — they kept us in good cheer when we were stuck at home.

=====
From Jim Colville:

Other than the weekly Sunday noon gathering in Berryville, I haven't been to many shows since the last update. I did go to Spring Carlisle with Van Armstrong and Tom Parker.

We went just to look at the

cars in the auction and the cars in the car corral. There was a '67 Cougar in the auction that Van and I both liked.

The most unusual car in the car corral again this year was the friction drive Lambert.

Last weekend (May 8), I stopped by the orphan car gathering in Winchester.

A friend I seldom see, and his wife, brought their green stepdown Hudson two-door

hardtop, but there were several interesting cars in attendance. Not just Hudsons and AMCs.

(See Home on page 6.)

IN SYMPATHY

Shenandoah Region extends its sincere condolences to Mike and Carol Witt in the loss of Carol's stepfather, Abbie Franklin Woodard, Jr., 64, of Winchester, VA who passed away May 10, 2021 at Winchester Medical Center.

Abbie was born in Front Royal, VA and retired from the Riverton Corp. as a truck loader.

He was preceded in death by his wife of 27 years, Ethel Mae Thomas, in 2007.

Please keep Carol, Mike and their family in your thoughts and prayers at this difficult time.

Apple Blossom Show

On May 2, 2021, the Shenandoah Apple Blossom Festival held a car show at Frederick County Fairgrounds in conjunction with their annual Fun in The Sun event.

The Shenandoah Region AACA was represented by Dave Conrad and Jim Tillery.

They each won Top 25 Open Class for their vehicles; Dave for his 1945 Chevy Pickup and Jim for his 1955 Plymouth Belvedere. Congrats!

50 years ago

A 1924 Locomobile owned by Clayton Bennington of Kernstown won top honors Saturday at the 13th Annual Apple Blossom Antique Automobile Meet in the Winchester Recreation Park.

Some 200 restored antique cars participated in the Meet, which also featured a Flea Market and costume judging.

Sunshine Report

- ♥ Dave & Sharon Lewis reported sending sympathy cards to Kevin and Nicole Malony on the loss of Nicole's father (see Sympathy note in May newsletter) and to Mike and Carol Witt on the loss of Carol's stepfather (See In Sympathy on page 3).
- ♥ We learned that Fuzzy Coon has been having some health issues which kept him and Chris from the May meeting and hope to see them in June.

- ♥ Please keep Kevin and Nicole, Mike and Carol, and Fuzzy and Chris in your thoughts and prayers for healing.
- ♥ As always, also remember those members who struggle daily with ongoing health issues that keep them "in the shop" and not always running on all cylinders.

So, can you imagine your ad here?

As for projects at home, I have the yellow Coronet up on the lift. Need to do brakes on it, but I also need to solve a gas leak issue.

Was hoping it was just the seal around the sending unit, but I think it may be the tank itself.

Bought a new tank to install,

but haven't started yet.

Meanwhile, I assisted my buddy, David, in pulling the 318 and the trans out of his yellow '70 Dart in the garage.

He dropped the heads off at a machine shop yesterday.

He was planning on more work on the engine but once he had the heads off, decided it was too clean to mess with.

expect to use, but are still in good shape, then bring them to the auction table and let them go to another member who can use them — like car parts — or who will enjoy looking at them — like magazines, books, or model cars. If you would like to share your skill as a cook, then bake some of your own home-made cookies, or cakes, or pies, that somebody would happily bid on, and enjoy — and at the same time would bring some money for the Club.

Unfortunately, we will not be eating any refreshments at this meeting. That part of pandemic restrictions is still in place. But, hopefully, that will change before long.

See you on Thursday, June 3, at 7:00 PM at the Car Club shelter in Jim Barnett Park!

FINALLY A FUN RUN!!

Our first Fun Run of 2021 (and after so many months of isolation, we are MORE than ready to run!) will be Saturday, June 19, to attend the Antique/Collectible Car and Tractor Show in Star Tannery, VA. (See flyer on page 8).

Fun Run leader for this outing is Duane Catlett.

Meet at Wards Plaza at

10:00 am.

We'll "convoy" via back roads to Star Tannery from that start point.

You don't have to drive an antique (or a tractor — attention, Jim Stup!) on the Fun Run.

It's the Fun that's the key, and seeing everyone's smiling face.

See you there!
