

## PRESIDENT'S MESSAGE:

Here we go again! It is time for our 63rd Apple Blossom Car Show. As you will see on the following pages planning is well under way but much work still needs to be done. The various show Chairs are hard at work to make this show another success. What each Chair needs now is for you to help him or her.

Editor Linda has a list of the Chairs on one of the following pages with their contact information. If you don't see your name there, please call or email to volunteer. You will also be able to volunteer at our May 4 meeting. There are five general areas that need more help:

- Traffic Control
- Showfield Parking
- Class Judging
- Special Awards
- Late Registration

Helping in any of these areas should be fun and easy. If you would like to help with Judging, you will be assisting an experienced person and learning how judging is done.

Now with the Apple Blossom Show covered, I want to turn our attention to an important step

Show field scene from last year's Apple Blossom Meet

for our club. Shenandoah Region is now on Facebook! We are already seeing response from persons who are not club members. Thanks to Tom Parker for spearheading this effort. Tom is reporting that the Apple Blossom Show has over 75 people interested on Facebook and that 16 say they plan to attend. With our events and activities being posted on Facebook I feel the Region will benefit in many ways.

*[Editor: you don't have to have a Facebook account to view our page. See the URL in the banner at the top of this page.]*

See you at the May 4 membership meeting.  
-- Dan

## ANNUAL CAR CLUB AUCTION NIGHT JUNE 1 AT MEMBERSHIP MEETING

As you are doing your Spring Cleaning, please keep the Club in mind. Our annual Auction will take place following our June 1 membership meeting. We are asking for donations of car-related items (such as literature, parts, cleaning supplies, petromobilia) to be auctioned that night to raise funds for the Club. We also happily accept donations of baked goods - which seem to be VERY popular items based on past auctions. Note that the meeting will be the first one of the summer to be held at the Antique Car Shelter in Jim Barnett Park, Winchester at 7pm. This will NOT be a potluck meeting - in the interest of time; light refreshments will be served. Hope to see you there - these auctions are always a lot of fun !

## ATTENTION APPLE BLOSSOM MEET SPECIAL AWARD SPONSORS

For those members that have sponsored a Special Award: If you would like to make the selection of the car to win your sponsored award, please contact Bob Engle **before May 13** at [bengle1917@gmail.com](mailto:bengle1917@gmail.com) or call **540-247-8634** (cell). I will contact you about the process. If I do not hear from you, I will appoint other members to make the selections on your behalf.

Also, I would appreciate any club members that will assist in the judging and paperwork management to contact me so we can do an outstanding job of selecting and presenting these awards.

Thanks, Bob Engle

## ATTENTION APPLE BLOSSOM SHOW WORKERS

If you pre-registered a vehicle, but have to be on the job before Registration opens at 8:00 AM, please email Linda C. on **Friday, May 12 between 9:00 AM & 9:00 PM** and I will advise you of your space number. That way you can park your show vehicle in the correct place when you arrive, complete your task, and pick up your packet from Registration before the Judging begins at 11:00 AM. Email me at:

[shenandoahregion@gmail.com](mailto:shenandoahregion@gmail.com)

## REMINDER: A.B. PARADE SAT. MAY 6

As in years past, Shenandoah Region will participate in the 96th Shenandoah Apple Blossom Festival Grand Feature Parade. We will be in the pre-parade, moving along a bit quicker than the actual parade, which helps to keep our old cars from overheating. Twelve cars are signed up so far. Participants will gather at Noon at Jones Funeral Home on Pleasant Valley Rd. The parade steps off smartly at 1:00 pm. If you have not yet signed up, **Jim Tillery** will have more information at the May 4 club meeting, and you can sign up then. Or, you can contact him at 703-973-8927 or email [tilleryjd@gmail.com](mailto:tilleryjd@gmail.com)

## JUNE NEWSLETTER DEADLINE = NOON ON MAY 22

Send news, articles, photos & ads to:  
[shenandoahregion@gmail.com](mailto:shenandoahregion@gmail.com)

## SHENANDOAH REGION IS NOW ON FACEBOOK ! by Tom Parker

With approval of the Board, I have set up a Facebook page for the Shenandoah Region. The page is intended to share information and increase exposure about our Region with prospective members and to share our events with other auto enthusiasts in the area. We can also increase networking with other local organizations/clubs.

If you are a Facebook user, please "like" our new page and share it with your friends. You can invite them to "like" it as well, it isn't just for members. One of the big hurdles in setting up this new platform is building an audience. You can find us at [www.facebook.com/ShenandoahRegionAACAA](http://www.facebook.com/ShenandoahRegionAACAA) or search "Shenandoah Region AACAA" on your FB account.

I will be moderating the page and posting content regularly. I will also share information about our events and car shows/cruise-ins in the area. Hopefully this can provide some additional outreach to expose more auto enthusiasts in the area to our Region. **\*\*\* Note: Nothing will change with how we utilize the website, newsletter, or email to communicate with members.**

Sunshine Chairs Dave & Sharon Lewis report sending:

- ♥ No new Get-well cards since the last membership meeting Apr. 13. Hopefully that means that everyone's doing okay at present, as no news may be good news.
- ♥ And as always, let's all also remember those members who struggle daily with ongoing issues that keep them "in the shop" and not running on all cylinders.

## APPLE BLOSSOM MEET UPDATE

We are in the final stretch for our 63rd Apple Blossom Meet! The Committee Chairs have their committees coming together. **Meet Chairman Duane Catlett** has the trophies, Port-a-Johns, food vendor, and P.A. system lined up. Club members are set to bring and set up tents for the day, and the dash plaques are on hand. Thanks to the many members who helped to secure our **Meet sponsors, J.C. Taylor, Stafford Chrysler/Jeep of Winchester, and Ompps Funeral Home & Cremation Services**, and to secure sponsors for the **31 Special Awards** to be given out. **Flea Market Chair Jeff Feltner** has only received a handful of Flea Market vendors so far, fewer than last year. **Vehicle Registrar Linda Comontofski** has received 57 registrations as of April 24, which is about the same number as last year on the same date. We're on track

to have a vehicle turnout similar to our 2022 show, so fingers crossed. Lots of help will be needed to make this show, our biggest revenue source, a success. We're counting on YOU to be one of the helpers. **A list of the Committees that will be very busy Friday May 12 and Saturday May 13 is below.** The Chairs' names and contact info is printed directly below each Committee heading. **Each Committee heading includes the DAY and TIME you need to show up to help.** As President Dan said in his message, there are 5 spots that still need additional people - If you don't see your name on the list, that doesn't mean we don't need you to step up. Please pitch in and be part of the fun. Also, **please attend our May 4 meeting for more instructions on where each committee will meet.**

### FROM TOM PARKER: CLARKE COUNTY HS BAND SHOW

On behalf of the Clarke County Band Association, thank you to the Shenandoah Region members that attended our show on Saturday, April 22nd. Despite the

weather forecast, we were able to get the event in with a slightly earlier end time. We ended up with 66 entries, last year was over twice as big with absolutely beautiful weather then.

President Dan Rowzie attended and, along with Jim Colville, picked the winners of the Best Engine (1923 Ford T bucket), Best Paint (1970 Chevrolet Camaro), and Diamond in the Rough awards.

Diamond in the Rough went to this all original 1973 Dodge Challenger wearing its factory-original "Gunmetal Gray" paint, and driven in from

Member Dave Conrad won Best Truck with his 1945 Chevrolet Truck, and Member Bill Anderson won the Best Antique Car award with his 1965 Chevrolet Corvette.

Other Region members who brought their antiques were: Jim Colville with his 1968 Plymouth Barracuda, Craig Comontofski with his 1955 Studebaker Commander, Tom Parker with his 1960 Buick LeSabre, Harry Newman with his 1997 Subaru SVX, and Dickie Wolfe with his 1968 Plymouth Roadrunner.

Kenny Lietch's "Big Bad Green" AMX, and a 70 Charger I hadn't seen before. It was one of three second generation Chargers in the show.

[left column] A couple of Ford pickups (there were several 40's & 50's Ford trucks at the show), and a Model A.

The 60 Ford flatbed above was probably the biggest vehicle in the show (not counting a lifted Chevy pickup that may have required a rope ladder to gain entry). The Ford Sunliner convertible wasn't perfect but was a decent driver. The young driver and passenger seemed to really enjoy the ride. There were only a couple motorcycles in the show, including this Indian.

**FROM JIM COLVILLE:  
SPRING CARLISLE**  
I've always viewed Spring Carlisle as the unofficial start of car show season every year. So, I always make the effort to attend the event every year even though historically there have never been many vendors selling parts for 60's Mopars like mine.

Below, photos from the auction at Carlisle. There are always a few Cadillac convertibles in the auction. The last of the MGs were not sold in the U.S. This right-hand drive MG looks small next to the Firebird parked next to it. One of the real standouts among the cars in the auction was this Packard.

**MEMBER NEWS:** [from page 6] (SPRING CARLISLE continued)

Moving on from the auction, we worked our way over to the car corral, running into Bill Busko on the way. First, there's the Chevy pickup that Bill was helping sell. I've always had a soft spot for the 68-69 Montegos. This red 69 Mercury Montego MX convertible for \$16,000 was no exception.

from that first model year.

The 383 4-speed '68 Super Bee was priced at \$59,900. 68 Super Bees are rather rare as they came out mid-year after Dodge division witnessed the success of the comparable Plymouth Road Runner.

Didn't notice the price on the 37 Chevy.

There were actually more VWs in the auction than in the car corral, but this yellow bug was the nicest of them all. The \$38,000 67 4- speed Dart GT with a newer 340 under the hood seemed to be priced a little high to me.

Studebaker introduced the compact Lark in '59. This two-door wagon was

The 1916 Buick, priced at \$29,000, was nice, but to me the best Buick in the car corral was the stunning shadow turquoise 67 Riviera priced at \$25,000.

-performance Catalinas Pontiac built that year. Still, I heard people spectators proclaim it to be the most spectacular car in the car corral.

The Bronco was a little rusty, but 1st generation Bronco prices have shot through the roof in recent years, so the \$35,000 asking price might be fair. The 73 Chevelle woody wagon was once a common sight on suburban streets. Not many left now though.

The 66 Skylark convertible was a factory 4-speed car with just 34K original miles. The price was \$34,500. This Shelby Mustang convertible was one of two 68 Shelby Mustangs I saw in the car corral.

Usually see the 60 Impala in black, white or red. The copper color on this 60 Impala really made it stand out. The bronze GTO convertible was certainly pretty, but the color looked like Chrysler's Turbine Bronze. Guessing it was a rarely seen correct Pontiac color though.

When's the last time you saw a 65 Olds Starfire? The unique styling touches on these cars are the exhaust ports in the rear quarters. This one was priced at \$28,000.

On a side note, arriving home after driving home from Spring Carlisle, I found a broken-down 67 Sport Fury parked in front of the house. Car died out on RT 7 and he coasted it onto my street to get out of traffic. I got home too late to be of assistance as the AAA rollback arrived just a few minutes after me. What were the chances that a classic Mopar would break down right in front of my house?

The 63 Pontiac Catalina 421 3 speed was a very accurate tribute to rare high

The 85 Mercedes 300D diesel had 123k miles on it and was priced at \$16,500. It was a clean, 1 owner, example of a desirable diesel Mercedes.
