

The Split Rim

Volume 37 No. 2

Shenandoah Region, AACA

FEB 2024

see our website at: <https://shenandoah.aaca.com> and visit us on Facebook at: www.facebook.com/ShenandoahRegionAACA

PRESIDENT'S MESSAGE:

Having one of the oldest cars in our club is very exciting and honorable. As I wrote in an article in the May 2019 SPLIT RIM, I purchased my 1908 REO Model G Runabout in September 2017. The previous owner, Bob, had gotten to where he was less able to safely crank start the car and felt it was time to pass it on to someone who would appreciate and care for it as much as he did. I am very fortunate that he put that trust in me.

I met Bob back in 2002 at Bowling Green State University in Bowling Green, OH. His son is the Band Director at James Wood High School here in Winchester. We had taken the band students to BGSU for an educational workshop put on by BGSU's Band Director. Bob and I struck up a conversation while watching the students learn and practice their new skills. We found out that we both shared the love of very old cars. He held the advantage of owning 4 vehicles compared to my none!! He said, "let's go see them, I only live 45 minutes from here". Unfortunately, I could not leave the campus as I was co-in charge of the equipment and truck.

FEBRUARY CAR OF THE MONTH
Jack & Marguerite Fischer's "His and Hers" - see story page 3

I kept in touch with Bob and during the summer my wife Vickie and I went out to visit Bob and his wife Sue. He took me for a ride in the REO and I watched everything he did to drive the car, trying to figure out what each pedal and lever was doing. After several trips around the neighborhood, we returned back to the house. He asked me "Do you think you can drive this car?" and I replied, "do YOU think I can drive this car?" He said he saw that I was paying close attention to him driving and then explained to me what each pedal and lever was for and how to properly crank start the car. The 2 most important steps

[continued under PRESIDENT, page 8]

CALENDAR

- FEB 1 - Membership Meeting, 7pm, Round Hill Church, Winchester
- FEB 8-10 - AACA Annual Convention, Chantilly, VA
- FEB 14 - Happy Valentine's Day!
- FEB 15 - Board Meeting, 7pm, Round Hill Church, Winchester. All members welcome

NEW APPOINTMENTS MADE FOR 2024

President Jeff has made the following appointments for Chairs of the various club Committees. Thanks to all the Chairs for agreeing to serve, and members, please give your help to the Chairs if asked. As Pres. Jeff said last month, "Many hands make the work go so much smoother."

Committee Chairs for 2024	
Activities	Board of Directors
Apple Blossom Meet	Duane Catlett
Apple Blossom Parade	Jim Tillery
Club Merchandise	David Conrad
Corn Roast	Kevin Malony & Mark Dinsmore
Historian & Scrap Book	None
Membership Outreach	Dan Rowzie
Museum of the Shenandoah Valley Car Show	Dan Rowzie
New Member Liaison	Jim Stup
Phone	Jeff Smulovitz (VA area) Craig Comontofski (WV area)
Poor Man's Tour	N/A - Hosted by Queen City
Sunshine	David & Sharon Lewis
Technical	Mark Dinsmore
50/50	Duane Catlett

REMINDER: HAVE YOU PAID YOUR 2024 DUES ?

Our By-Laws require us to drop members who have not paid both AACA and Region dues by Feb. 29. Don't miss out on Region activities, newsletters, and the annual roster! Here's what to do:

(1) Pay your AACA National dues. You can return the form that was part of the mailer for your National AACA magazine, phone AACA with credit card info at (717) 534-1910, or renew online at <https://aaca.org>.

(2) Pay your Region dues (\$20) to Treasurer Bonnie Catlett. Make checks payable to: Shenandoah Region, AACA. Bonnie's address is 5601 Middle Road, Winchester, VA 22602 if you prefer to mail Region dues in.

If you don't have your AACA National 2024 dues card yet, we can verify your 2024 AACA membership online, so don't wait for your AACA dues card to arrive in the mail in order to pay Region dues.

PLEASE GET A ROUND "TUIT" TODAY !

If you are in the 66 % of the members who have already paid your dues, Thank You for your continued support of our Region!

OH THE TIMES, THEY ARE A CHANGIN' — WHAT ABOUT YOU?

Have YOU had any changes since March 1 of 2023 (new street address, new email, new phone number)? Secty Linda is preparing to do the 2024 Club Roster and needs to know.

Please review your 2023 Roster and see if your info still matches last year's Roster. Please send changes to Linda **BEFORE FEB. 26** via email :

shenandoahregion@gmail.com or snail-mail Linda Comontofski, 1501 West King St., Martinsburg, WV 25401. Thanks !

MEETING SCHEDULE FOR 2024

Dates, locations, and times for our 2024 meetings and activities are included in the schedule on page 5. Please clip and save for future reference. Also, please note that the July Membership Meeting will NOT be the first Thursday of the month, as the Park is closed for the July 4 holiday. We will meet July 11 instead, as voted by the Board at the January Board Meeting.

Sunshine Report

Sunshine Chairs Dave & Sharon Lewis report sending:

- ♥ Get well cards to Allen Bond, who was hospitalized for leg problems and is recovering at home.
- ♥ We also learned that our Sunshine Chairs were both down with the flu for several days in early January.
- ♥ Please keep Allen, and Dave and Sharon in your thoughts and prayers for healing.
- ♥ And as always, let's all also remember those members who struggle daily with ongoing issues that keep them "in the shop" and not running on all cylinders.

FEBRUARY CAR OF THE MONTH:

It was suggested (by Jim Tillery) at our January club meeting that we feature a Car of the Month based on the member car for that month in the 2024 Club Calendar. That's a great way for members to get to know each other a little better, and start some lively conversations. Thanks, Jim, for the idea.

The February Car of the Month is actually two cars.

[See page 1 of this issue for a larger photo]

Marguerite & Jack Fischer

1959 Rambler Super and 1973 Mercury Montego GT

"HIS AND HERS CARS" by Marguerite Fischer

Hers:

Back in the 1990's, Jack wanted me to have an antique car that I could drive to car shows and cruise ins as I don't know how to drive a stick shift car. Jack started his search with networking in our Long Island car club and found our 1959 Rambler in Queens, NY.

A short drive to the borough of Queens from Long Island, a trip to the bank, and we had another old car. Jack believed it was serendipity as the color was blue, my favorite, it was a 1959, the same year I was born, plus it was a push button automatic that I could drive. The stars were aligned. We've been owners of our 1959 Rambler since 1995. It's the one car that we have the longest in our garage.

His:

In October 2012, we were out and came home to see a green Mercury Montego sitting in our driveway. We didn't know anyone with a 70's green Mercury. Jack had owned the same car but in a different color when he was 20 years old. Jack reminisced a lot about his Montego and always wanted to find one to purchase but never did. As we walked around to our front porch, Jack's brother was sitting on our steps with the keys to the car and wished his brother Happy 60th Birthday. Jack's brother found the Mercury Montego GT on Ebay, did some research, checked with the local sheriff to make sure it wasn't a scam (the sheriff actually knew the seller), purchased the vehicle, and had it shipped from Minnesota to Long Island. What a 60th birthday present! A memory we will never forget.

JANUARY CAR OF THE MONTH:

Since the January 2024 Club calendar page was already turned before the Feb. issue, here's a "catch up" for January's Car of the Month.

"1926 PAIGE" by Eric Kirk

January's calendar page shows my 1926 Paige 6-72 sport touring sedan. This car came to Apple Blossom in the '60's when it was owned by Dick and Peggy McDonald. They restored the car in the late '50's, after rescuing it from a railroad yard in Williamsport, PA. I bought it in 1989 from them. It has been to many Apple Blossom Meets and to a National Meet and Graham National Meet in Williamsburg, VA. I have driven it to all these events. It was displayed for 5 years in the University of MD Ag Centers Transportation Museum in Sharpsburg, MD. Sitting for so long, it required a lot of mechanical restoration: brake and master cylinder restoration by White Post Restoration, gaskets by Olsen Gaskets in WA, Pease Vintage Parts in Palmer, MA., with much elbow grease applied by David Wilkins and myself. David loves this car and

uses it frequently, as seen in this picture at Welltown UM Church Eddie Busko Memorial Cruise-in this past summer. We recently completed the Annual Nichol Tour, for cars from 1917 to 1931. It was from Jefferson, MD to Emmitsburg, MD, a round trip of 70 miles, one of a dozen cars. Here is looking forward to more tours, both near and far this year.

Eric Kirk 1926 Paige 6-72 Sport Touring Sedan

MEMBER NEWS

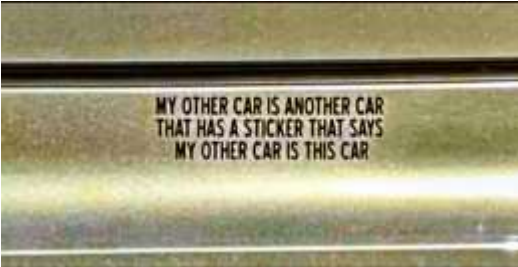

[Editor: here are members' submissions received since Dec. 21]

FROM JIM COLVILLE:

Saw this and thought it was funny.

[Editor: we have all seen one of those "My Other Car" stickers !!]

FROM DAVID SUNTER:

I attended a Car Guys lunch in Sarasota last Wednesday (Jan. 10) and a surprise visitor was Brian Johnson of AC/DC. He showed a few of us around his Ford GT and entertained us with his stories, not music related! He told me that he is 76 but he doesn't look it. The flat cap is his signature look and he still has the very strong regional accent from Newcastle in the north east of England.

FROM DAVID SUNTER:

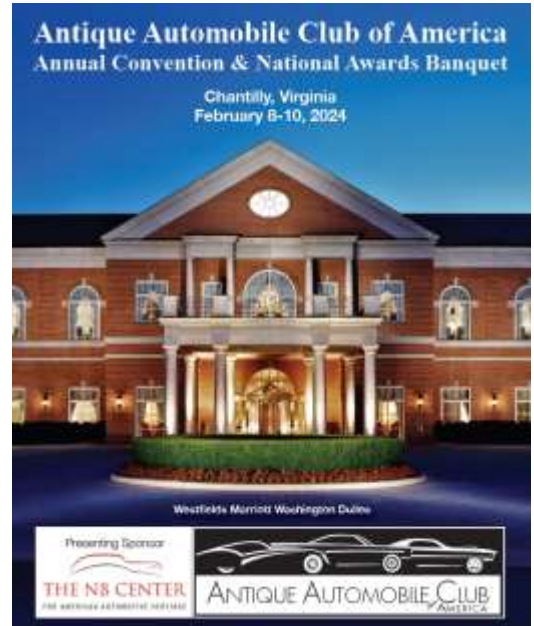

Seen in a car showroom in Sarasota on Thursday Jan 11. Notable is the "muted" interior. You would, however, have to be careful about what you decided to wear when riding in it if you didn't want to clash! *[Editor: I looked up this Rolls model on the Web — it is called the Dawn, and I can see why. It will sure wake you up when you approach it. The side paint is so shiny it looks silver, but I believe it's black, like the front end shown, and*

reflecting the wall.]

FROM CHIP ROHR:

For any members that will be attending the AACA National Convention in Chantilly, VA on Feb. 8-10, please note that our 1912 Buick will be on display as you enter the Convention area. AACA asked to display it primarily due to its history of touring with the AACA. Mom and Dad did 26 Glidden Tours in the car. Nancy and I have also done several. *[Editor: the Buick is the May car in our 2024 Club Calendar, and will be featured with a full story in the May issue. Chip's parents, the late Edgar and Walser Rohr, were club members years ago, and Edgar, a former AACA National President, would install our Region officers at the annual Christmas Party using his trademark large pocket watch to time his remarks. The annual Glidden Tour, a 5-day event also known as a reliability tour, was revived in 1946.]*

Fun Runs will be announced at Membership Meetings, via email, and in Newsletter

MEMBER NEWS: [from page 4]

[Editor: As we are currently facing February, said to be "the cruelest month", we find ourselves longing for Spring when the first robin and first car show appear in the North again. To cheer our hearts are some colorful photos from last Fall. Jim Colville submitted over 225 photos of the Hershey Show, and you have only seen a fraction of them so far, in the Nov. 2023 issue.]

FROM JIM COLVILLE:

AACA FALL NAT'L - HERSHEY

Friday October 6th was the annual AACA car show at Hershey. First up is the HPOF class (Historic Preservation of Original Features). Most of these cars could be considered "survivors". For the most part, none were absolutely perfect, but they were unrestored originals. Most were showing varying degrees of wear. Below, a '71 Ford Ranchero and a Pierce Arrow.

[Editor: the HPOF class has a wide variety of years and makes, as HPOF is not a point-judged class. Vehicles instead are authenticated by a certification team to confirm significant original features]

Next, a 1957 Dodge Custom Royal, and a '59 Cadillac famous for its fins.

Next, [top center] a blue '56 Buick, a red BMW 850, and a '61 Mercury Comet.

CARQUEST
 AUTO PARTS

In the judged classes from the 40's, a 1940 Nash 6 [above] and a 1941 Buick Super convertible. The dark blue and gray roadster is a 1914 Overland that is a Zenith Award winner [and was featured in the AACA magazine]. A few years newer is the blue and black 1929 REO Flying Cloud.

[Continued under MEMBER NEWS, page 7]

MEMBER NEWS: [from page 6]

HERSHEY CAR SHOW CONT'D

Next, a 1957 Hudson Metropolitan [see Hudson badge] and a 1979 Zastava 750 [Editor: both cars are in Class 04B, for specifically named small vehicles.1942-99]

Among the trucks and military vehicles were this vintage military truck and "cool" ice delivery truck.

In the sports car classes, a rarely seen '54 Arnolt-Bristol and a '63 Ferrari 250 GT 2+2.

A Studebaker '57 Golden Hawk, a silver and black 1931 Jordan and a '33 Packard.

Muscle cars were well represented at Fall Hershey. Here are a '69 Boss Mustang, a '72 Dodge Demon 340, a '69 Camaro, a '67 Plymouth, and a Buick GSX.

[Editor: more Hershey eye candy in future newsletters. Thanks, Jim !!]

PRESIDENT: [from page 1] are to first apply the compression release pedal to make it easier to crank and then, most importantly, to retard the ignition timing so the engine fires after top dead center. Otherwise, if it fires before TDC it will most likely kick back and you will possibly end up with a broken arm. (I have accidently tested this theory several times and fortunately have not broken any bones but believe me "it ain't no fun!!") So around the neighborhood we went a few times and amazingly we made it back to the house without stalling. I WAS HOOKED!!!

I would go to visit Bob and the REO several times every year, going to car shows with him and Sue. I enjoyed the REO and the other cars in his collection which included a 1913 Model T Touring, a 1906 Success, and an Elmore which was manufactured in nearby Elmore, OH. We have shared an untold amount of time together going to car shows, touring a week each year with the Vintage Motor Car Club of America's 1 & 2 Cylinder Tour held in June every year, and showing the REO at The Old Car Festival at Greenfield Village in Dearborn, MI. For those not familiar with TOCF it is held on the 2nd weekend in September and is limited to about 750 vehicles no newer than 1932. It is a 2-day show and is worth the trip to show a vehicle or just be a spectator enjoying the many vehicles on display.

Let's all make this a fun-filled year by participating in some of the many shows in the area or just going to check out what other collectors have. Keep a

Prez Jeff (right) shows off the 1908 REO to an admirer at the Lake Frederick Show in Oct. 2023. Photo by Paul Ruscito.

close watch on the show list that Tom Parker puts together for us and the many updates he makes throughout the show season. THANK YOU, Tom! And let's not forget to sign up for our Fun Runs. Paul Ruscito has some thoughts and plans for this year and everyone is encouraged to suggest and help put together a Fun Run. THANK YOU, Paul!

Every event we do as a club needs help from fellow members. We all need to pitch in and share our help and many talents to make each event the best it can be. Let's not forget to support and Thank our advertisers in the Newsletter. They too are very important to the club. See you at the shows and events near and far. — Jeff

2993 Northwestern Pike, Winchester, VA 22603

Starting just west of Winchester Medical Center, from the intersection of Route 37 and Route 50:

- Drive west on Route 50 (Northwestern Pike) for approximately 2 miles.
- Shortly after crossing Nat'l Lutheran Boulevard, turn left on Route 654 (Poorhouse Road). There is a used car lot on the left as a landmark.
- At 0.2 miles, turn right onto Route 803 (Round Hill Road). Winchester Independent School across the road is a landmark at this intersection.
- At 0.3 miles, turn right at the Church rear driveway (Trinity Lane) and uphill into the parking lot. There is a sign at the driveway entrance.

Fellowship Hall entry is at the bottom level, rear of the Church, off the parking lot. No stairs to climb.
