

PRESIDENT'S MESSAGE:

Hopefully spring is right around the corner, and we'll be enjoying these longer days with warmer temperatures. It hasn't been a "bad" winter just a rough one at times with the snow, ice and lengthy sub-freezing days we had to put up with. I'm banking on that type of weather to be behind us and looking forward to much warmer temperatures!! We have had some very mild and warm days sneak in recently which were very much enjoyed but they were too short lived. Some of you have already been out tinkering in a nice, heated garage and those of us less fortunate will soon be able to get out there

APR. CALENDAR CAR OF THE MONTH:
Art Bragg's 1955 Oldsmobile (see pg 3)

CALENDAR

- APR 5 - Happy Easter !
- APR 9 - Membership Meeting, 7pm, Round Hill Church, Winchester (**NOTE: SECOND THURSDAY of the Month**)
- APR 16 - Board Meeting & Apple Blossom Committee Meeting, 7pm, Round Hill Church, Winchester. All members welcome.
- **APR 20 - MONDAY, NOON DEADLINE for MAY NEWSLETTER**
- MAY 2 - Grand Feature Parade, Apple Blossom Festival, Winchester. See page 2.
- MAY 7 - Membership Meeting, 7pm, Round Hill Church, Winchester
- MAY 9 - 66th Apple Blossom Meet, Jim Barnett Park, Winchester, VA. See page 2 and flyer pages 9-10.

getting ready for the upcoming show season, cruise-ins, fun runs, or just getting in the car going for a ride. The

days are "getting longer" so we will have plenty of time to play with our toys and get the yardwork done too!

Our Apple Blossom Car Meet on May 9th is not as far away as the calendar might indicate. There are a lot of the behind-the-scenes responsibilities that have already been done or put into place and many more to come in the near future. Please keep in mind how you can help with this, our biggest fundraiser/event and contact the chairperson of a committee or two that you will be able to help with. Registrar Linda Comontofski is going to need extra help this year at the registration area. There are untold hours of work that she does prior to the show, and then more the day of, and she has asked for additional help at the registration area this year. It would also be a good opportunity to see what all has to take place in that area that you may not realize goes on and be willing to help in the future.

As in the past we will most likely be meeting at the field on Friday afternoon or evening to lay out the parking spaces.

IN SYMPATHY

Shenandoah Region extends its deepest sympathy to the family of member Ronald (Ron) Howser, 84, of Winchester, who passed away February 25 at his residence. Before his retirement, Ron worked as a maintenance supervisor for Loudoun County Sanitation Authority and was the part owner of Muse & Reed Furniture in Leesburg. He will be remembered for his dedication to our hobby - he never missed an Apple Blossom show, and even when his health declined he still would attend in his Model A, with son Don at the wheel. His beloved wife of 55 years, Patsy, preceded him in death in February 2019 after a long illness. Leaving to cherish his memory are his son, Donald Richard Howser (Terri) of Stephenson, VA; two daughters, Patricia Howser Alder (Kevin) of Winchester, VA and Tammy Stickles (Kevin) of Centreville, VA; six grandchildren; and two great-grandchildren. Services were March 4, 2026 at Union Cemetery, Leesburg, Virginia with Pastor Glenn Hughes officiating. Please keep the family in your thoughts and prayers at this difficult time.

JOIN THE PARADE ON MAY 2

As in years past, Shenandoah Region will participate in the 99th Shenandoah Apple Blossom Festival Grand Feature Parade. We will be in the pre-parade, moving along a bit quicker than the actual parade, which helps to keep our old cars from over heating. This is a great time to showcase our club and cars to thousands of locals and visitors. So lets get those cars out of mothballs and get them on the parade route. Don't miss your chance to be part of the 2026

Apple Blossom Festival experience - only 12 vehicles will be allowed to participate by the Festival. The parade is scheduled for Saturday, May 2. The parade steps off smartly at 1:00 pm. Jim Tillery will have more information and a sign-up sheet at the April 9 club meeting. You can also contact him at : 703-973-8927 or TilleryJD@gmail.com

APPLE BLOSSOM UPDATE:

Preparations are continuing for our May 9 show, our 66th Apple Blossom Meet. The flyers were mailed to past participants, and Meet Chair Duane Catlett has more on hand for you to pick up and distribute in your travels (see **copy pages 9-10**). The dash plaques will be arriving this week.

Chief Judge Mark Dinsmore has completed the update of the

Judging form, and Meet Chair Duane is working on Special Award sponsors, with almost all trophies being covered. Duane also has the food vendor lined up

66th Apple Blossom
Car Meet

and his right-hand Gal, Bonnie, will be reserving the porta-pottys.

Registrar Linda C. has 17 vehicles registered already (and will accept your registrations at the April 9 Club Meeting). The April 16 Board Meeting will also be an Apple Blossom Committee meeting to finalize plans. If you're a Committee Chair for the show, or if you just want to be in the know, please plan to attend.

Sunshine Chairs Dave & Sharon Lewis report sending:

- ♥ Sympathy card to the family of Ron Howser. See "In Sympathy" above.
- ♥ Well-wishes to Harry Newman, who was recently diagnosed with a brain tumor, to Lauren Conrad and Elsie Grant Norman, who both had falls that resulted in wrist injury, and to Melanie Feltner, who fell and broke her leg.
- ♥ Please remember Harry and Ruth, Lauren and David, Elsie, and Melanie and Jeff in your thoughts and prayers for comfort and healing.
- ♥ As always, let's all keep in our thoughts and prayers those members who struggle daily with ongoing issues that keep them "in the shop" and not running on all cylinders.

APR. CAR of the MONTH:

**Art Bragg's
1955 Oldsmobile Super 88
by Art Bragg**

For many years, I drove one of my antique convertibles in the annual Apple Blossom parade, hauling celebrities. This car, owned by a couple in Edinburg, VA would also participate. Each year, I would show interest in purchasing it, but it was not for sale. Every Christmas I would send them a Christmas card to show my interest in their 1955. In 1995, they contacted me that they were ready for it to have a new owner. On New Year's Day 1996, I along with a driver brought it to Brucetown.

It had, as I recall, some wiring lighting problem, so my good friend and Region member Karl Anderson said bring it to his garage. While there, we kept doing things to it and it ended up being restored. While it went to a paint shop, it was parked outside. The paint shop owner had a burn barrel, and unfortunately something from the barrel while in burning mode landed on the plastic rear top window and destroyed the top. Thus a new one was necessary.

The car received its AACA Senior award in 1999. It has PS, PB, auto trans and the option of Autronic Eye on the top left of the dash for dimming head lights. GM produced 9007 of the 1955 Super 88 convertibles. This one is painted two-tone white and Glen green iridescent. Motor Trend magazine called the 88s "Family Hot Rods." Of interest, Simoniz gave away a 1955 'Holiday 98' hard-top, plus cash, to the person who wrote the best last line for a limerick about the new Simoniz Easy Method.

FROM TOM PARKER: PAST APPLE BLOSSOM PLAQUES

I'd like to take a moment to thank everyone that responded to my request for Apple Blossom dash plaques from prior years. I received a lot from many of you and am almost to my goal of one for each year. I have arranged them on one of the display boards that had belonged to George Travers by year with plenty of room for future plaques to be added. I have one from each year except 1971 so, if anyone has an extra 1971 please let me know. I'm attaching a photo of the board and will likely bring it to display at this year's Apple Blossom Meet.

[Editor: Since this year's shows are still in the future, here are some beauties from last Fall to get us revved up for Spring !]

**FROM JIM COLVILLE:
ROCKVILLE SHOW - OCTOBER**

The third weekend in Oct. is the big antique car show at historic Glenview Mansion at the Rockville Civic Center in Rockville, Maryland. This show has been an annual event since 1962, and six hundred cars preregistered for Rockville. While the emphasis is on antiques twenty-five years old and older, they do allow some modern "exotics" into the show as well. Van Armstrong, another friend, and I, rode up together and went in as spectators.

We started in the row of French cars. This year they were all Citroen passenger cars, The DS wagon had some patina, but I included the wagon here because I thought it a bit more unique than the DS sedans.

In the 4-wheel drive section, vintage Land Rovers (like the green short

wheel base model) outnumbered the vintage Jeeps. My favorite of the Jeeps was the red Jeep station wagon.

There were many Minis in the show. The police Mini Cooper attracted the most attention. Perhaps it was because the distinctly British sounding siren was sounded periodically. Alfa Romeos were well represented at Rockville. Most were Spyders, but there were a few GTV coupes like this yellow one.

The Lotus section had been expanded substantially this year. The white coupe is an Elan+2 and the green one

a Lotus Europa.

The Ferarri section is often one of the most crowded of the show field. The blue Ferrari 550 Maranello dates from the late '90s. The red 328 GTS dates from the '80s.

Moving on to US makes, the 1931 Chrysler CM6 roadster was a beautiful car, but there was certainly nothing subtle about the two-tone green paint job. The blue sedan was a 1937 Buick Special.

[Continued under MEMBER NEWS, page 5]

MEMBER NEWS: [from page 4]
ROCKVILLE SHOW, CONT'D :

Cadillacs were another marque that showed up in large numbers. Here, a bright red '57 El Dorado convertible. Ten years later, the El Dorado would look like the green coupe in the next photo.

Among the Packards in the show were this early '50s Patrician, and the oldest Packard, a convertible coupe dating from the late '20s.

Among the Studebakers was this 1950 Land Cruiser.

There seemed to be fewer Pontiacs this year than last. The yellow '67 Firebird was nice, but of the several GTOs in the show, the blue '70 convertible was nicest.

The red '70 Dart Swinger 340 4-speed may have been the most perfectly restored Mopar in the show.

Oldsmobiles are always well represented. One of my favorite Oldsmobiles has always been the '64 Starfire. It was amazing to see two '64 Starfires together. That probably only ever happens at the largest of Oldsmobile shows. Between the yellow '64 and the dark blue '64, I think I would have to pick the yellow one.

The first-generation Dodge Viper was the newest Chrysler product in the show. Next, a 1953 Nash Rambler Country Club.

PRESIDENT: [from page 1]

has gotten this down to a science and it has gone very well the last couple of years. On Saturday he will again need more help with getting the cars parked in the spot that Linda has assigned them. I know the bull horn was a big help last year and I will borrow it again from my grandson this year. (See, even the youngest of ages can contribute in some way! Maybe he will outgrow its use as a toy and donate it to the club so we can use it for years to come.)

Meet Chairman Duane Catlett puts in numerous hours getting the meet organized and all the different aspects put together to have the smoothest running show that we can present to the public. He also gets the awards taken care of and the presentations afterwards.

Tom Parker, Chairman of special awards works with Duane to incorporate those awards into the program.

Class Judging Chief Judge Mark Dinsmore has rewritten some of our judging guidelines for this year. The changes will streamline the process and make the awards ceremony a bit cleaner.

Lauren and Dave Conrad, Chairs for Late Registration, also have been tweaking the late arrivals setup and along with a few changes that were implemented last year things should go smoothly again this time.

Traffic Chairman Paul Ruscito will again be assembling a team to direct and control traffic flow so that everyone gets to the show field in an orderly fashion.

Jeff Feltner is Chairman of the flea market area again this year and will also be looking for some helping hands. PLEASE consider volunteering wherever you can to help make this our 65th annual Apple Blossom Car Meet a

huge success. Without your help we cannot give the Winchester area the premier car show that the people look forward to. THANK YOU to all those that have already been working hard and to those who will be helping in the near future.

Two weeks prior to all of our above activities is Apple Blossom Festival week which starts its closure on Sat. the 2nd and that day begins with the 99th annual parade. This year we will once again have the opportunity to participate in the pre-parade. Chairman Jim Tillery is again representing our club and is taking names of those who would like to have their car or truck in the parade. As in the past, the parade pace is much quicker and does not stop and go like the main part of the parade. You can participate in the pre-parade and still make it to the parade route to enjoy the rest of the floats, bands, show groups, etc. Jim has reported that the number of cars we are allowed this year is 12 so contact Jim as soon as possible if you would like to enter your vehicle and help represent our club. A very sincere THANK YOU to everyone that has already and those that will be helping to make this another very successful Meet.

PLEASE keep in your thoughts and Prayers those members of our Club that are not in the best of health and those that are healing from operations and bodily injuries. Remember also to visit the businesses that advertise in this newsletter and Thank them for doing so.

Looking forward to seeing you all at the April Membership meeting. **REMEMBER WE HAD TO MOVE IT to Thursday April 9th** due to the Church holding services on the 2nd.

See you soon, Jeff

MEMBER NEWS: [from page 5]

ROCKVILLE SHOW, CONT'D :

The '36 Ford 'woody' wagon was beautiful. Of the DeSotos, the blue and white '55 looked the most appealing as it was a two-door hardtop.

Sometimes I think the most common '70 Mustang made must have been the Boss 302 cause you can't hardly go to any show these days without seeing one or two.

The red second generation Toyota Celica Supra was the cleanest one I've seen since the '80s. Might be the only one I've seen since then. The blue Corvair was one of three in the show.

2026 CAR EVENT CALENDAR Tom Parker is collecting info on car events scheduled for 2026. If you know of a car event you think the members would enjoy, please email Tom at tomparkerjr@gmail.com. Driving Directions to Round Hill Church

2993 Northwestern Pike,
Winchester, VA 22603

Starting just west of Winchester Medical Center, from the intersection of Route 37 and Route 50:

- Drive west on Route 50 (Northwestern Pike) for approximately 2 miles.
- Shortly after crossing Nat'l Lutheran Boulevard, turn left on Route 654 (Poorhouse Road). There is a used car lot on the left as a landmark.
- At 0.2 miles, turn right onto Route 803 (Round Hill Road). Winchester Independent School across the road is a landmark at this intersection.
- At 0.3 miles, turn right at the Church rear driveway (Trinity Lane) and uphill into the parking lot. There is a sign at the driveway entrance.

Fellowship Hall entry is at the bottom level, rear of the Church, off the parking lot.

If you miss the Church rear driveway:

- Continue on Route 803 until it curves uphill and meets Route 50.
- Turn right onto Route 50, driving east.
- At 0.5 miles, turn right directly into the front driveway of the Church.

Proceed left around the building to the rear parking lot.

We didn't need seat belts—we just got tossed around like laundry and held on to the ashtray.
